**6.1 Number & Qualification.** Until Transition, the Association shall be governed by a Board of Administration (or Board of Directors) which shall initially be composed of three (3) persons. Developer shall have the right to appoint all members of the Board of Directors until Transition, subject to the right of Members other than the Developer to elect one-third of the members of the Board of Directors when Members other than the Developer own fifteen percent (15%) or more of the Units in the Condominium that will ultimately be operated by the

Association. Members of the Board of Directors appointed by Developer need not be Members of the Association. Members of the Board of Directors elected by the Members other than the Developer must be Members of the Association. After Transition, the total number of Directors may be increased or decreased by a vote of a majority of a quorum of the Voting Interests but shall always be established at an odd number and shall never be fewer than three.

**6.2 Duties & Powers.** All duties and powers of the Association shall be exercised exclusively by the Board of Directors (or as may be delegated by the Board to an Officer, committee, agent, contractor, or employee), subject only to approval by Members when specifically required by the Governing Documents or by law.

**6.3 Election & Removal.** The manner of electing and removing (recalling) Directors and conducting the annual meeting and elections shall be as stated in the Bylaws.

**6.4 Vacancies.** If a vacancy on the Board of Directors occurs because of an insufficient number of candidates to fill all vacancies by election, or by resignation, death, incapacity, or otherwise (except by recall of a majority of the total Directors), such vacancy may be filled by the remaining Directors.

**6.5 First Directors.** The following persons shall constitute the initial Board of Directors and each shall hold office for the terms stated in and subject to the provisions of the Bylaws:

**ARTICLE VIII  
MEMBERS**

**8.1 Membership.** Every record owner of legal title to a Condominium Parcel within the Condominium (i.e., every Owner) shall be a mandatory Member of the Association. Membership in the Association is appurtenant to and inseparable from ownership of legal title to a Condominium Parcel. Transfer of record ownership of legal title to a Condominium Parcel, whether voluntary or involuntary, shall terminate the transferor's membership in the Association and membership shall vest in the transferee.

**8.2 Membership Classes & Voting Interests.** The Association shall initially have two (2) classes of membership as provided below.

**8.2.1. Class A Members.** Class A Members shall be all Owners, excluding the Developer so long as the Class B Membership exists, and thereafter Developer shall be a Class A Member to the extent that it would otherwise qualify. There is one (1) Voting Interest allocated to each Condominium Parcel exercisable by the Owners thereof.

**8.2.2. Class B Member.** The Class B Member shall be Developer, who shall have a number of Voting Interests equal to the total number of Voting Interests of the Class A Members multiplied by 100 until Transition. Class B Membership shall terminate at Transition, and Developer shall thereafter be a Class A Member with respect to any Condominium Parcels Developer owns following Transition.

**8.3 Transition.** For the purposes of this Article, the phrase "Unit Owners other than the Developer" shall not include builders, contractors, or others who purchase a parcel for the purposes of constructing improvements thereon for resale. Developer has the unilateral right to appoint all Directors of the Association until Transition, except as provided in Section 8.4. Unit Owners other than the Developer are entitled to elect at least a majority of the members of the Board of Administration upon the first to occur of any of the following events:

**8.3.1.** Three years after 50 percent of the Units that will be operated ultimately by the Association have been conveyed to purchasers:

**8.3.2.** Three months after 90 percent of the Units that will be operated ultimately by the Association have been conveyed to purchasers:

**8.3.3.** When all the Units that will be operated ultimately by the Association have been completed, some of them have been conveyed to purchasers, and none of the others are being offered for sale by the Developer in the ordinary course of business;

**8.3.4.** When some of the Units have been conveyed to purchasers and none of the others are being constructed or offered for sale by the Developer in the ordinary course of business:

**8.3.5.** When the Developer files a petition seeking protection in bankruptcy:

**8.3.6.** When a receiver for the Developer is appointed by a circuit court and is not discharged within 30 days after such appointment, unless the court determines within 30 days after appointment of the receiver that transfer of control would be detrimental to the Association or its Members; or

**8.3.7.** Seven years after the date of the recording of the certificate of a surveyor and mapper pursuant to Section 718.104(4)(e) of the Act or the recording of an instrument that transfers title to a Unit in the Condominium which is not accompanied by a recorded assignment of Developer rights in favor of the grantee of such Unit, whichever occurs first; or, in the case of an Association that may ultimately operate more than one condominium, seven years after the date of the recording of the certificate of a surveyor and mapper pursuant to Section 718.104(4)(e) of the Act or the recording of an instrument that transfers title to a Unit which is not accompanied by a recorded assignment of Developer rights in favor of the grantee of such Unit, whichever occurs first, for the first condominium it operates; or, in the case of an Association operating a phase condominium created pursuant to Section 718.403 of the Act, seven years after the date of the recording of the certificate of a surveyor and mapper pursuant to Section 718.104(4)(e) of the Act or the recording of an instrument that transfers title to a Unit which is not accompanied by a recorded assignment of Developer rights in favor of the grantee of such Unit, whichever occurs first.

**8.4 Right to Elect Pre-Transition Director.** Unit Owners other than the Developer are entitled to elect one-third of the members of the Board of Administration after fifteen percent (15%) or more of the Units in the Condominium that will ultimately be operated by the Association have been conveyed to Unit Owners other than the Developer.

**8.5 Developer's Right to Elect Director After Transition.** Developer is entitled to elect at least one member of the Board of Administration as long as the Developer holds for sale in the ordinary course of business at least five percent (5%) of the Units in the Condominium operated by the Association. After Transition, Developer may exercise its right to vote for any Units it owns in the same manner as any other Unit Owner except for the purposes of reacquiring control of the Association or selecting a majority of the members of the Board of Administration.

**8.6 Voting & Election Procedures.** The procedures associated with exercising Voting Interests and electing members of the Board of Administration are provided in the Bylaws.

**ARTICLE IX  
INDEMNIFICATION**

Every Director, Officer, employee, and designated agent (as may be designated in other contracts with such agent) of the Association shall be indemnified by the Association against all expenses and liabilities, including attorney fees and costs reasonably incurred by or imposed upon the Director, Officer, employee, or designated agent in connection with any proceeding or settlement of a dispute to which the Director, Officer, employee, or designated agent may be a party, or in which the Director, Officer, employee, or designated agent may become involved, by reason of being or having been a Director, Officer, employee, or designated agent of the Association, regardless of whether that person maintained his or her position at the time such expenses are incurred; provided, however, that no such Director, Officer, employee, or designated agent shall be entitled to indemnification in the event that such person: (i) committed a violation of criminal law, unless the Director, Officer, employee, or designated agent had reasonable cause to believe his or her conduct was lawful and no reasonable cause to believe his or her conduct was unlawful; (ii) engaged in a transaction from which the Director, Officer, employee, or designated agent derived an improper personal benefit; (iii) made an unlawful distribution as provided by Florida law; or (iv) engaged in willful misconduct or a conscious disregard for the best interests of the Association in the performance of his or her duties. The Association may advance expenses, including attorney fees and costs, associated with any legal action instituted against a Director, Officer, employee, or designated agent upon approval of a majority of the Board of Directors, exclusive of any Director seeking indemnification; provided, however, that the Association shall be entitled to reimbursement if it is ultimately determined that the Director, Officer, employee, or designated agent was not entitled to indemnification in accordance with this Article. In the event of a settlement, the indemnification set forth herein shall apply only when the Board of Directors, exclusive of any Director seeking indemnification, approves such settlement and reimbursement as being in the best interests of the Association. The foregoing right of indemnification shall be in addition to and not exclusive of all of the rights to which Directors, Officers, employees, or designated agents may be entitled.

**ARTICLE X  
AMENDMENTS & DISSOLUTION**

**10.1 Amendments.** Subject to applicable law, these Articles may be unilaterally amended by the Developer by an instrument signed by the Developer and filed in the Office of the Secretary of State of the State of Florida for so long as Developer owns any of the Property or any other property which Developer may intend to subject to the Declaration. After Developer no longer owns any part of the Property or any other property which Developer may intend to subject to the Declaration, these Articles may be amended by the written consent or affirmative vote of two-thirds (2/3) of the total Voting Interests; provided, however that (i) no amendment shall alter or affect the rights of the Developer without the Developer's written consent; and (ii) any

amendment that alters the Stormwater Management System, or the Association's obligation to operate and maintain it (if ultimately assigned or delegated to the Association), beyond maintenance in its original condition, including mitigation or preservation areas and the water management portions of the common areas, must have the prior written approval of the St. Johns River Water Management District. The Developer may veto any amendment to these Articles for so long as it owns any of the Property or any other property which Developer may intend to subject to the Declaration. In the event it is finally adjudicated that Developer's rights to unilaterally amend these Articles are limited by applicable law, Developer shall be deemed to have the broadest rights to amend these Articles not prohibited by applicable law.

**10.2 Limitations on Amendments.** Subject to the Developer's right to unilaterally amend these Articles as provided herein, which shall not be subject to the limitations below, these Articles may not be amended in any manner that would:

10.2.1. Affect any rights of the Developer, in Developer's sole opinion, unless the Developer approves the amendment in writing; or

10.2.2. Make any changes in the qualifications for Membership or to the Voting Interests of the Members of the Association without first obtaining written approval of all Members and joinder of all record owners of first mortgages encumbering Condominium Parcels.

Subject to the Developer's right to unilaterally amend these Articles as provided herein, after the Developer no longer has the right to unilaterally amend these Articles, this Section concerning limitations on amendments may only be amended upon the approval of the Developer, all Members of the Association, and all record owners of first mortgages encumbering Condominium Parcels. Any attempt to amend these Articles in a manner inconsistent with the amendment requirements herein shall be null and void.

**10.3 Dissolution.** While Developer has the right to unilaterally amend these Articles, it shall also have the unilateral right to dissolve this corporation. After Developer no longer has the right to unilaterally amend these Articles, this corporation may be dissolved by a resolution to dissolve being adopted by the Board and the written consent or affirmative vote of two-thirds (2/3) of the total Voting Interests of the Members. Dissolution of the Association shall be effective upon filing Articles of Dissolution with the Office of the Secretary of State of the State of Florida. Notwithstanding, if any rights or obligations under the above-referenced Permit are ultimately assigned or delegated to the Association, in the event of termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the Stormwater Management System must be transferred to and accepted by an entity which complies with Rule 62-330.310, F.A.C., and Applicant's Handbook Volume I, Section 12.3, and be approved by the St. Johns River Water Management District prior to such termination, dissolution or liquidation.
