Mission Statement

*To globally impact Christian Teachers, Pastors,
Missionaries, and Evangelists through the Instruction of God's Word!*

ACTS 8:30-35

What is The Philip Teaching Ministry?

The Greek word *parakletos* is defined as coming along side of someone in need. The story of Philip assisting the Ethiopian Eunuch to understand what he was reading is a representative example of someone who comes along the side of another when they are in need of understanding of God's Word.

The Philip Teaching Ministry mission is to develop and support the "Philips" of the world, empowering them to carry on the good fight to see struggling "Eunuchs" grow in their knowledge of God's Word. Theologian Malcolm Yarnell, and his wife Karen, have founded

this needed ministry that supports the local pastor in churches across the world, the seminaries that need strong and clear biblical teaching, and to strengthen those who have received seminary level training yet find it challenging to return to their home country.

The Philip *Teaching* Ministry's primary objectives are to:

- Preach and Teach God's Word Globally
- Develop Strong Biblical Educational Curriculum for Teachers, Preachers, Missionaries, and Evangelists
- Create Teaching Pod Casts that Provides Another Medium for Education & Instruction
- Provide Support for Seminary Students by Encouraging, Exhorting, and Investing in Their Ministry

Preach and Teach God's Word Globally

The primary aim of The Philip *Teaching* Ministry is to teach and train Pastors, Teachers, Missionaries, Evangelists, and Believers across the world, especially in countries where such resources are in short supply. The execution of this objective can include sending Malcolm, and other Biblical Scholars and Teachers to countries in need. Why? Because so many Christian educational facilities cannot afford to bring needed teaching and training to their campus. This is one of the needs that The Philip *Teaching* Ministry wishes to address through providing needed funding to provide such valued Biblical training.

Develop Strong Biblical Educational Curriculum

Curriculum is greatly needed and expensive to create, but The Philip *Teaching* Ministry will tackle this critical ministry opportunity. Through the extensive writings of Malcolm Yarnell, The Philip Teaching Ministry will create training material for the Bible College student, the seminary student, the seminary graduate, the missionary, and the men and women seeking a better understanding of God's Word. Beginning with teaching curriculum for those who have received a seminary education, literature is also needed for those who have never received any training on the scriptures, or how to share God's Word, or how to lead or pastor a church. This ministry effort bolsters those individuals called to the ministry yet haven't the resources for more formal teaching and training.

Create Teaching Pod Casts that Provides Another Medium for Education & Instruction

The world has become "smaller" through social media. One tremendous social media outlet is the creation, conducting, and posting of Pod Casts that are instantly available to people across the world. This vital outlet is yet another opportunity to reach Preachers, Teachers, and Christians world-wide who need spiritual teaching and training yet may be unable to attend a Bible College or Seminary.

Provide Support for Seminary Students by Encouraging, Exhorting, and Investing in Their Ministry

A growing number of seminary graduates, called to minister in their home country, often find the cost of relocation a challenge. Additionally, graduates called to the ministry are in need for further instruction and encouragement as they seek service as a pastor or Bible

teacher at schools in their homeland, many with little to no pay. In some cases, a financial need is so great for a returning seminary graduate to their home country that they may not have the needed finances to relocate. Many such returning graduates need continued learning, but they also need exhortation and encouragement, even financial support, to get them through challenging "re-entry" costs.

ARTICLE IV Trustees

The names and addresses of the persons who are the initial trustees are:

Brad Humphrey	Chairman of the Board of Trustees and Executive Director

Thereafter the appointed trustees shall take over the operation of the corporation from the incorporator. Subsequent elections shall be governed by the Bylaws of the Corporation. The term, manner of election and removal and number of directors shall be fixed in the Bylaws of the Corporation.
