**Corporate Purpose:**

Florida A&M University's Jamaican American Student Association (JAMSA)! Founded on September 21, 2022, by visionary leaders Keanu Hewit, DeAngelo Green, Shelecia Reid, and Teeja Smith, JAMSA was established to create a sense of belonging within the Jamaican community on campus. Recognizing the importance of unity and cultural pride, our founders set out to form a chapter to unite Jamaican students while sharing Jamaica's vibrant and rich culture with the broader student body.

JAMSA is dedicated to fostering a welcoming environment for all students, whether of Jamaican heritage or simply interested in learning about and embracing our culture. We aim to create a home away from home where everyone can experience Jamaica's warmth, traditions, and spirit.

Additionally, we value the importance of maintaining strong connections with our alumni. By staying engaged with our past members, we strive to build a network of support and mentorship that enriches the experiences of both current students and graduates.

Join us in celebrating Jamaican culture and creating lasting memories at Florida A&M University. Whether through cultural events, social gatherings, or educational programs, JAMSA is here to impact our campus community positively.
