ARTICLE XIV- INDEMNIFICATION OF OFFICERS AND DIRECTORS

Section 1. **Indemnity.** The Association shall indemnify any Officer, Director, or Committee Member who was or is a party or is threatened to be made a party to any threatened, pending, or contemplated action, suit or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he/she is or was a Director, Officer, or Committee Member of the Association, against expenses (including attorney's fees and appellate attorney's fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him/her in connection with such action, suit, or proceeding, unless (i) a court of competent jurisdiction finally determines, after all appeals have been exhausted or not pursued by the proposed indemnitee, that he/she did not act in good faith or in a manner he/she reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, that he/she had reasonable cause to believe his conduct was unlawful, and (ii) such court also determines specifically that indemnification should be denied. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of *nolo contendere* or its equivalent shall not, of itself, create a presumption that the person failed to act in good faith and in a manner which he/she reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful. It is the intent of the membership of the Association, by the adoption of this provision, to provide the most comprehensive indemnification possible to their Officers, Directors, and Committee Members as permitted by Florida law. In the event of a settlement, the right to indemnification shall not apply unless the Board of Directors approves such settlement as being in the best interest of the Association.

Section 2. **Defense.** To the extent that a Director, Officer, or Committee Member of the Association has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in Section 1 above, or in defense of any claim, issue, or matter therein, he/she shall be indemnified against expenses (including attorney's fees and appellate attorney's fees) actually and reasonably incurred by him/her in connection therewith.

Section 3. **Advances.** Reasonable expenses incurred in defending a civil or criminal action, suit, or proceeding shall be paid by the Association in advance of the final disposition of such action, suit, or proceeding upon receipt of an undertaking by or on behalf of the affected Director, Officer, or Committee Member to repay such amount if it shall

ultimately be determined that he/she is not entitled to be indemnified by the Association as authorized by this Article XIV.

Section 4. **Miscellaneous.** The indemnification provided by this Article XIV shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any Bylaw, agreement, vote of Members, or otherwise, and shall continue as to a person who has ceased to be a Director, Officer, or Committee Member and shall inure to the benefit of the heirs and personal representatives of such person.

Section 5. **Insurance.** The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a Director, Officer, Committee Member, employee, or agent of the Association, or a Director, Officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Association would have the duty to indemnify him against such liability under the provisions of this Article.

ARTICLE XV- - DISSOLUTION

The Association may be dissolved if eighty percent (80%) of the total voting interests of all Members vote in favor of dissolution at a duly held meeting of the Members of the Association in person, by proxy, or by written consent, if permitted by the Declaration. Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be dedicated to an appropriate public agency to be used for purposes similar to those for which this Association was created. In the event that such dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any nonprofit corporation, association, trust or other organization to be devoted to such similar purposes.
