9.2 Duties and Powers. 9.6 Standards. A Director shall discharge his or her duties as a Director, including any duties as a member of a committee: in good faith; with the care an ordinarily prudent person in a like position would exercise under similar circumstances; and in a manner reasonably believed to be in the best interests of the Association. Unless a Director has knowledge concerning a matter in question that makes reliance unwarranted, a Director, in discharging his or her duties, may rely on information, opinions, reports or statements, including financial statements and other data, if prepared or presented by one or more officers or employees of the Association whom the Director reasonably believes to be reasonable and competent in the manners presented; legal counsel, public accountants or other persons as to matters the Director reasonably believes are within the persons' professional or expert competence; or a committee of which the Director is not a member if the Director reasonably believes the committee merits confidence. A Director is not liable for any action taken as a Director, or any failure to take action, if he or she performed the duties of his or her office in compliance with the foregoing standards.

**ARTICLE 10**  
**INDEMNIFICATION**

10.1 Indemnity. The Association shall indemnify any person who was or is a party to any proceeding by reason of the fact that he or she is or was a Director, employee, officer, agent or committee member (each, an "Indemnitee") of the Association, against liability incurred by him or her in connection with such proceeding, unless (a) a court of competent jurisdiction determines, after all available appeals have been exhausted or not pursued by the proposed

(H24000266476 3)

Indemnitee, that he or she did not act in good faith or acted in a manner he or she reasonably believed to be not in, or opposed to, the best interest of the Association, and, with respect to any criminal action or proceeding, that he or she had reasonable cause to believe his or her conduct was unlawful, and (b) such court further specifically determines that indemnification should be denied. The termination of any proceeding by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not, in and of itself, create a presumption that the person did not act in good faith or did act in a manner which he or she reasonably believed to be not in, or opposed to, the best interest of the Association, and, with respect to any criminal action or proceeding, that he or she had reasonable cause to believe that his or her conduct was unlawful.

10.2 Indemnification. The Association shall indemnify any person who was or is a party to any proceeding by or in the right of the Association to procure a judgment in its favor by reason of the fact that he or she is or was a Director, officer, employee or agent of the Association against expenses and amounts paid in settlement not exceeding, in the judgment of the Board, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof. Such indemnification shall be authorized if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Association, except that no indemnification shall be made under this Section with respect to any claim, issue or matter as to which such person shall have been adjudged to be liable unless, and only to the extent that, the court in which such proceeding was brought, or any other court of competent jurisdiction, shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

10.3 Expenses. To the extent that an Indemnitee has been successful on the merits or otherwise in defense of any proceeding referred to in Sections 10.1 or 10.2, above, or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses actually and reasonably incurred by him or her in connection therewith.

10.4 Advancing Expenses. Expenses incurred by an officer or Director in defending a civil or criminal proceeding shall be paid by the Association in advance of the final disposition of such proceeding upon receipt of an undertaking by or on behalf of the affected Director or officer to repay such amount if he or she is ultimately found not to be entitled to indemnification by the Association as authorized in this Article 10. Expenses incurred by other Indemnitees may be paid in advance upon such terms and conditions as the Board deems appropriate.

10.5 Determination of Applicability. Any indemnification under Sections 10.1 or 10.2, unless pursuant to a determination by a court, shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the Director, officer, employee or agent is proper under the circumstances because he or she has met the applicable standard of conduct set forth in Sections 10.1 or 10.2. Such determination shall be made:

(a) By the Board by a majority vote of a quorum consisting of Directors who were not parties to such proceeding;

(b) If such a quorum is not obtainable or, even if obtainable, by majority vote

(H24000266476 3)

of a committee duly designated by the Board (in which Directors who are parties may participate) consisting solely of two (2) or more Directors not at the time parties to the proceeding;

(c) By independent legal counsel:

(i) Selected by the Board prescribed in subsection (a) or the committee prescribed in subsection (b); or

(ii) If a quorum of the Directors cannot be obtained for subsection (a) and the committee cannot be designated under subsection (b), selected by majority vote of the full Board (in which Directors who are parties may participate); or

(d) By a majority of the votes of the members of the Association who were not parties to such proceeding.

10.6 Determination Regarding Expenses. Evaluation of the reasonableness of expenses and authorization of indemnification shall be made in the same manner as the determination that indemnification is permissible. However, if the determination of permissibility is made by independent legal counsel, then any persons specified by Section 10.5(c) shall evaluate the reasonableness of expenses and may authorize indemnification.

10.7 Exclusivity; Exclusions. The indemnification and advancement of expenses provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any of the By-Laws, any agreement, any vote of members or otherwise. However, indemnification shall not be made to or on behalf of, and all advanced expenses shall be repaid by, any Indemnitee if a judgment or other final adjudication establishes that his or her actions, or omissions to act, were material to the cause of action so adjudicated, and further constitute: (a) a violation of the criminal law, unless the Indemnitee had reasonable cause to believe his or her conduct was lawful or had no reasonable cause to believe his or her conduct was unlawful; (b) a transaction from which the Director, officer, employee or agent derived an improper personal benefit; or (c) willful misconduct or a conscious disregard for the best interest of the Association in a proceeding by or in the right of the Association to procure a judgment in its favor. The indemnification and advancement of expenses provided by this Article shall continue, unless otherwise provided when authorized or ratified, as to a person who has ceased to be a Director, officer, employee, agent or committee member and shall inure to the benefit of the heirs and personal representatives of such person, unless otherwise provided when authorized or ratified.

10.8 Insurance. The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was an Indemnitee of the Association, or is or was serving, at the request of the Association, as a Director, officer, employee, agent or committee member of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Association would have the power to indemnify him or her against such liability under the provisions of this Article.

10.9 Alternative Relief. Despite any contrary determination of the Board to provide

(H24000266476 3)

indemnification in any particular case, an Indemnitee of the Association who is or was a party to a proceeding may apply for indemnification or advancement of expenses, or both, to the court conducting the proceeding, to the circuit court, or to another court of competent jurisdiction.

10.10 Continuing Effect. Indemnification and advancement of expenses as provided in this Section shall continue as, unless otherwise provided when authorized or ratified, to a person who has ceased to be a Director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person, unless otherwise provided when authorized or ratified.

10.11 Definitions. For purposes of this Article 10, the term "expenses" shall be deemed to include attorneys' fees, including those for any appeals; the term "liability" shall be deemed to include obligations to pay a judgment, settlement, penalty, fine or expenses actually and reasonably incurred with respect to a proceeding; and the term "proceeding" shall be deemed to include any threatened, pending or completed action, suit or other type of proceeding, whether civil, criminal, administrative or investigative, and whether formal or informal; and the term "agent" shall be deemed to include a volunteer, the term "serving at the request of the Association" shall be deemed to include any service as a Director, officer, employee or agent of the Association that imposes duties on such persons.

10.12 Amendment. Anything to the contrary herein notwithstanding, no amendment to the provisions of this Article 10 shall be applicable as to any Indemnitee who has not given his or her prior written consent to such amendment.

**ARTICLE 11  
BY-LAWS**

The first By-Laws of the Association shall be adopted by the Board and may be altered, amended or rescinded in the manner provided in the By-Laws and the Declaration.

**ARTICLE 12  
AMENDMENTS**

Amendments to these Articles shall be proposed and adopted in the following manners:

12.1 Notice. Notice of a proposed amendment shall be included in the notice of any meeting at which the proposed amendment is to be considered and shall be otherwise given in the time and manner provided in Chapters 617 and 718, Florida Statutes. Such notice shall contain the proposed amendment or a summary of the changes to be affected thereby.

12.2 Adoption. Amendments shall be proposed and adopted in the manner provided in Chapter 617, Florida Statutes and in the Act (the latter to control over the former to the extent provided for in the Act).

12.3 Limitation. No amendment shall be made that is in conflict with the Act, the Declaration or the By-Laws, nor shall any amendment make any changes which would in any way affect any of the rights, privileges, powers or options herein provided in favor of or reserved to Developer, or an affiliate of Developer, unless Developer shall join in the execution of the

amendment. No amendment to this Section 12.3 shall be effective.

12.4 Developer Amendments. To the extent lawful, Developer may amend these Articles consistent with the provisions of the Declaration allowing certain amendments to be effected by Developer alone.

12.5 Recording. A copy of each amendment shall be filed with the Secretary of State pursuant to the provisions of applicable Florida law, and a copy certified by the Secretary of State shall be recorded in the Public Records of Miami-Dade County, Florida.

12.6 Conflicts. In the event of any conflict between the provisions of these Articles and the Declaration and/or the By-Laws, the Declaration shall have priority over these Articles and these Articles shall have priority over the By-Laws.
