ii. We are a non-profit, non-sectarian, completely apolitical and in no way religious, charitable fraternal Order. The objective of this fraternal Order is dual in nature (esoteric and exoteric). In its esoteric, aspect, it aims to elevate its members to a state of higher consciousness through meditation, which allows them to harmonize with the flow of the most sublime energies of the universe, with the purpose of progressing spiritually, to the point of being Conscious, of the unity that it represents with all creation, and thus can spiritually help humanity in perfect resonance with the work and purpose for which it exists. In its exoteric aspect, its objective is to convert its followers into good and useful citizens, who fulfill the task of expelling from humanity all kinds of malignancy and disorder, who respect the legal institution of marriage, the laws of the country and its rulers, and that through the knowledge acquired and in turn help their brothers and sisters, the shemsu-Hor members when they request it or need it, both in the affliction of physical illness and in the hardships of earthly life, work that can be fulfilled in both aspects through the community aid programs that the order creates from time to time (food aid programs, housing aid programs, health care assistance programs, cultural programs for children, adolescents and adults). or through the mystical meetings promulgated by the order.
