Dear Sunbiz Division of Corporations

Re: Fraudulent amendment on current corporation (Hope Evangelical Ministry Inc.)

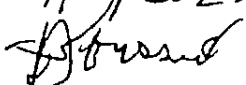

To whom it may concern:

I, Patrick Beauregard, founder and president of Hope Evangelical Ministry Inc., since its inception in 1994. On August 11th, 2023, I noticed an amendment that was done without the board's consent, where I was removed as president and replaced by another. This is not the first time that changes of fraudulent nature such as these have been made on behalf of the Ministry and we have made a new amendment and hope to prevent these illegal activities from happening in the near future.

I would like you to please consider this letter along with our new amendment and hopefully we will get back to our original status. If you have any questions or concerns please feel free to reach me at Beauregardpat64@gmail.com or 786-387-8081.

Sincerely,

Patrick Beauregard
President
