#### NOTICE OF NEW EMPLOYER IDENTIFICATION NUMBER ASSIGNED

Thank you for your Form SS-4, Application for Employer Identification Number (EIN). The number assigned to you is shown above. It will be used to identify your business account, tax returns and documents, even if you don't have employees.

1. Keep a copy of the number in your permanent records.
2. Use your name and the number exactly as shown above on all Federal tax forms.
3. Use the number on all tax payments and tax-related correspondence or documents.

Using a variation of your name or number may result in delays or errors in posting payments to your account. It also could result in the assignment of more than one Employer Identification Number.

We have established the filing requirements and tax period shown above for your account based upon the information provided. If you need help to determine your required tax year, get publication 538, Accounting Periods and Methods, which is available at most IRS offices.

Assigning an Employer Identification Number does not grant tax-exempt status to nonprofit organizations. Any organization, other than a private foundation, having annual gross receipts normally of \$5,000 or less is exempt by statute if it meets Internal Revenue Code requirements. Such organizations are not required to file Form 1023, Application for Recognition of Exemption, or Form 990, Return of Organization Exempt from Income Tax.

However, if your organization wants to establish its exemption and receive a ruling or determination letter recognizing its exempt status, file Form 1023 with the Key District Director. For details on how to apply for the exemption, see Publication 557, Tax-Exempt Status for Your Organization.

Thank you for your cooperation.
