**Re: Removal from Black Business Association Board of Directors**

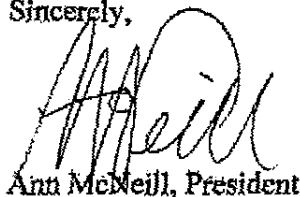

Dear Mr. Dixon:

This letter is to officially request that my name be taken off as the secretary of the Black Business Association (BBA). I made the same request several years ago. I have not been involved in any way with the BBA for more than five years. Unfortunately, I have been told that my name still appears on official documents of the organization.

I take my fiduciary responsibility to any organization that I serve seriously and I want to be sure that I am not held liable for decisions that are made by the BBA board, its staff and other representatives.

Please remove my name from any of the BBA's documentation that it may still be carried on. Thank you for your time and attention to this matter.

Sincerely,

Ann McNeill, President
