This notice is being given to all corporations that have not filed their 2002 annual report/uniform business report as of October 4, 2002. If you feel your report and this notice have crossed in the mail, you may call (850) 488-9000 to verify the filing. You may disregard this notice if the 2002 annual report/uniform business report has been filed.

To return a dissolved/revoked corporation to "active" status, the corporation must reinstate. The form to reinstate is enclosed in this packet. The signatures of the registered agent and an officer or director must be on the reinstatement form. (If the same individual serves as the registered agent as well as an officer or director, he or she must sign in both capacities.)

* Filing fee information to reinstate is shown on the back of the form. The reinstatement fee can be waived if the corporation did not receive the two prior uniform business report (UBR) notices. Our office will need to receive the completed application for reinstatement and the appropriate UBR filing fee and a letter, signed by an officer or director of the corporation, stating the prior UBR notices were not received. The fee to file the report without penalty is \$150.00 for a for-profit corporation and \$61.25 for a not-for-profit corporation.

If you have filing questions, call (850) 245-6059.
