On February 27, 2001, I, Antonio E. Leon, by mistake, dissolved the wrong corporation. The corporation I was trying to dissolve was opened on September 23, 1999, by the name of Manna Ministry Inc. My EIN # was 59-7162365.

Unfortunately, there was a mistake in the filing of the document where the wrong corporation was closed. After being contacted by Dr. Lacho by phone on March 11, 2004, I realized the mistake occurred. I was never a trustee in Manna Ministry Inc. that was opened on August 27, 1990. The document # N39743 closed the wrong corporation. Please correct the mistake because an error occurred in the filing with the wrong corporation being closed to which I had no legal ties.

With this letter, I am requesting for the revocation of the dissolution of the corporation Manna Ministry Inc., document # N39743. The closure of this corporation was done by error on February 27, 2001 by your department. The corporation that the Florida State Division of Corporation closed never had the address of 2360 Lily Pad Lane, Kissimmee, FL 34743. Further I was never a trustee or on any board or had any relation with the Manna Ministry Inc. that the Florida State Division of Corporation closed.

It is disturbing that the same name of a corporation was allowed to be assigned to me and further that the Department of State Division of Corporation would close the wrong corporation without checking any documentation. This creates a terrible problem that I hope will be solved soon. Further it creates liability problems to the average citizen. Please correct this problem. Thank you.

Antonio E. Leon
