Dear Katherine Harris:

On July 9th I received a Uniformed Business Report form in the mail. This seemed a little odd, because we had already filed in late April. After investigating the matter, I had found out from the Public Inquire Office that a letter was sent out to myself to inform me that the form was not filed correctly. To my dismay that letter was never received. Enclosed is a copy of the form with the revised corrections. I also have included a copy of the check deposited by the Department of State on May 15th. We as humans learn by experience, and this was the first time I've personally had to file the form due to the recent death of my husband.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joan Mickiewicz', with a long horizontal flourish extending to the right. The initials 'CEE' are written in the upper right corner of the signature.
