Subject: Incorrect EIN for Tampa Heights Civic Association

The Tampa Heights Civic Association has just discovered that there is one incorrect digit of the organization's EIN and we would like to have this corrected. The organization is currently active and will be submitting its annual report over the next few weeks. However, we need to have the number corrected immediately to address some financial concerns that we are dealing with.

Please let us know the process for correcting this without waiting to file the annual report. Thank you. Lena Young Green, Parliamentarian.
