To Whom It May Concern,

The Florida State University's FEI/EIN Number, 591961248, is used improperly on the Department of State's website. It is currently listed under Commuter Services of North Florida, Inc. Attached for your review, is a copy of the University's most recent IRS Taxpayer Confirmation Letter showing this number is assigned to the University.

This error continues to cause problems for the University, when State agencies and vendors, wishing to do business with the University, research us through your website. We request for the Department of State to remove our FEI/EIN Number from its website to correct this issue.

Sincerely,

Michael Williams  
University Controller
