OF
SOUTHEASTERN COMMUNITY BLOOD CENTER, INC.
AND
FLORIDA BLOOD SERVICES, INC.

This Plan and Agreement of Merger (the "Plan of Merger"), dated as of the 17th day of December, 2008 is entered into by and between Southeastern Community Blood Center, Inc., a Florida not-for-profit corporation ("Southeastern" or "Merging Corporation") and Florida Blood Services, Inc., a Florida not-for-profit corporation ("FBS" or "Surviving Corporation"), with respect to the merger of Southeastern with and into FBS. Southeastern and FBS are sometimes referred to herein as a "Party" or collectively as the "Parties."

WITNESSETH:

WHEREAS, FBS and Southeastern deem it advisable and in their respective best interests to merge Southeastern with and into FBS (the "Merger"), pursuant to the applicable provisions of Florida law.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained herein, being duly adopted and entered into by FBS and Southeastern, this Plan of Merger and the terms and conditions thereof and the mode of carrying the same into effect, together with any provisions required or permitted to be set forth therein, are hereby determined and agreed upon as hereinafter set forth.

ARTICLE I

Merger of Southeastern with and into FBS

1.1 **Merger**. Subject to the provisions of this Plan of Merger, at the Effective Time (as hereinafter defined) of the Merger, Southeastern shall be merged with and into FBS, and FBS shall be the surviving corporation and shall continue to exist under its current name of Florida Blood Services, Inc. under the applicable provisions of Florida law. The separate corporate existence of Southeastern shall cease at the Effective Time of the Merger in accordance with the provisions of Florida law. At the Effective Time of the Merger, the title to all property owned by Merging Corporation shall immediately and automatically, by operation of law, become the property of Surviving Corporation with the exception of the properties referred to in Exhibit A ("Excluded Assets"), without reversion or impairment, and all debts, liabilities and obligations of Merging Corporation other than liabilities and obligations of the Excluded Assets shall become those of Surviving Corporation and shall not be released or impaired by the Merger. Surviving Corporation shall succeed in all respects to all of the rights and obligations of Merging Corporation. All rights of

of creditors and other obligees, and all liens on property of Merging Corporation shall be preserved unimpaired.

1.2 Articles of Incorporation and Bylaws. The Articles of Incorporation of Surviving Corporation, attached hereto as Exhibit B and Bylaws of Surviving Corporation attached hereto as Exhibit C, upon the Effective Time of the Merger shall be the Articles of Incorporation and Bylaws of Surviving Corporation, and such Articles of Incorporation and Bylaws shall continue in full force and effect until further altered, amended or repealed in compliance with applicable law.

1.3 Name of Surviving Corporation. At the Effective Time of the Merger and pursuant to this Plan of Merger, the corporate name of Surviving Corporation shall continue to be "Florida Blood Services, Inc."

1.4 Continuation of Business. From and after the Effective Time of the Merger, the business of Merging Corporation shall be conducted by Surviving Corporation. The principal office of Merging Corporation immediately prior to the Effective Time shall be the principal office of Surviving Corporation from and after that time. The blood services activity carried on in Southeastern service area prior to the merger will continue to be carried on by Surviving Corporation. The Southeastern service area is defined in Exhibit D. If any Services Agreement/Contract between Southeastern and a hospital or other health care provider in the Southeastern service area so requires, Southeastern will obtain the written consent to assign such Services Agreements to FBS prior to the Effective Time of the Merger such that there will be no interruption in the blood service activity carried on in the Southeastern service area. FBS will cooperate with Southeastern and execute any necessary documents necessary to effectuate the assignment. A copy of the Consent to Assignment is attached as Exhibit E. The operations of Surviving Corporation in Southeastern service area will be conducted in the name of Southeastern Community Blood Center pursuant to a fictitious name filing with the Florida Secretary of State's Office, and, if necessary, with the Georgia Office of the Secretary of State by Surviving Corporation.

1.5 Taking of Necessary Action. Prior to the Effective Time of the Merger, Merging Corporation and Surviving Corporation, respectively, shall take all such actions as may be necessary, appropriate or desirable to effect the Merger, including but not limited to obtaining all approvals required by the laws of the States of Florida and Georgia and filing or causing to be filed and/or recorded any document or documents prescribed by the laws of the States of Florida and Georgia. If at any time or times after the Effective Time of the Merger any further action is necessary or desirable to carry out the purposes of this Plan of Merger and to vest Surviving Corporation with full title to all properties, assets, rights and approvals of Merging Corporation, the officers and directors of Surviving Corporation shall take all such necessary action.

1.6 Directors, Officers and Community Advisory Board.

- (a) Directors. All persons who, as of the date of the Plan of Merger, are directors of FBS shall continue to serve as directors of Surviving Corporation. One of the three directors from Merging Corporation shall have a term of three years; one of said directors will have a term of two years; and

one of said directors will have a term of one year. For a **six-year period** beginning with the date of the merger, replacements for expiring terms of the original three directors from Merging Corporation shall come from persons designated by the Community Advisory Board referred to in Section 1.6(c). When the term of a director from the Southeastern service area expires during the six-year period, the Community Advisory Board will be asked to provide a person from the Southeastern service area to serve as a director of Surviving Corporation for the expiring term. If the Community Advisory Board does not supply Surviving Corporation with the name of a person from the Southeastern service area to serve as director within thirty (30) days of Surviving Corporation's written request, Surviving Corporation may replace the Southeastern service area director with anyone of its choice without regard to whether the person lives in the Southeastern service area. Attached as Exhibit F is a list of the persons who will serve as directors of Surviving Corporation until their successors have been duly elected or appointed and qualified, or until their tenure otherwise terminates in accordance with the Bylaws of Surviving Corporation. One person from the board of directors of Merging Corporation shall be added to Surviving Corporation's Executive Committee. During the six-year period referred to above, there shall be one person selected by the Community Advisory Committee who will be on Surviving Corporation's Executive Committee. Attached as Exhibit G is a list of the persons who will be on Surviving Corporation's Executive Committee as of the date of the merger.

- (b) All persons who, as of the date of this Plan of Merger, are officers of Surviving Corporation shall remain as officers of Surviving Corporation until their successors have been duly elected or appointed and qualified or their tenure is otherwise terminated in accordance with the Bylaws of Surviving Corporation. The initial members of the Community Advisory Board are listed on Exhibit I.

6.5 Certificate of Secretaries. Southeastern and FBS shall have exchanged certificates from their respective corporate secretaries certifying with respect to copies of resolutions adopted by the respective board of directors of the Parties authorizing the consummation of the transactions contemplated by this Plan of Merger and related documents, and certifying as to the incumbency and genuineness of the signature of each officer thereof executing this Plan of Merger and any other documents delivered in connection herewith.

6.7 Excluded Properties of Southeastern. Immediately prior to the Effective Time, the Excluded Assets shall be transferred into a Florida not for profit corporation organized by Southeastern known as Southeastern Community Blood Services Organization, Inc. ("SCBSO"). A copy of the articles of incorporation and bylaws of SCBSO are attached as Exhibits M and N, respectively. SCBSO shall hold the Excluded Assets under the terms as hereinafter set forth. The two parcels of real estate which are part of the Excluded Assets shall be leased to FBS for \$10.00 per year under a "triple net lease" arrangement. The leases are attached as Exhibit O. The cash reserves included in the Excluded Assets shall be held in federally insured institutions in interest bearing accounts, with the interest to be used for the payment of administrative expenses of SCBSO. SCBSO shall not encumber, mortgage or impair the real property during its initial three year term except with the written consent of FBS. On or about the third anniversary of the Effective Time, but in no event no later than ninety days thereafter, the SCBSO board of directors shall vote to transfer the Excluded Assets to a 501(c)(3) entity which is organized for the support of FBS and which is controlled by FBS. The SCBSO board of directors shall vote affirmatively to transfer the assets of SCBSO unless one or more of the following factors are found to exist with regard to FBS: a) the existence of impairment of FBS financial condition which adversely affects services provided to the Southeastern service area; b) there exists justifiable material concerns with respect to FBS licensure or accreditation with FDA or other accrediting authorities; c) the patient medical needs identified by the medical providers in the Southeastern service area are not being met; or d) the donations of blood and the supply of blood in the Southeastern service area are inadequate based on the needs of the patients in the Southeastern service area. In the event the SCBSO board of directors fails to vote (either in the affirmative or negative) on the transfer of the SCBSO assets within 90 days after the third anniversary date of the Effective Time then it shall be deemed that the SCBSO board of directors voted affirmatively to transfer the assets of SCBSO to the FBS new entity. In accordance therewith, the officers and directors of SCBSO shall take all action necessary to timely transfer said SCBSO assets to the FBS entity.

In the event that the SCBSO finds that FBS has not satisfied one or more of the conditions set forth above the following procedures shall be followed:

- (a) SCBSO shall provide written notice to FBS of its findings and the factual basis for such determination. This notice will be provided within thirty (30) days of the determination but in no event later than thirty (30) days before the third anniversary of the Effective Time as defined herein;
- (b) FBS shall have forty-five (45) days to remedy the problems identified or to respond as to why the problems identified are not resolved;
- (c) SCBSO shall consider the response of FBS and make a determination as to whether the problems or concerns identified have been adequately resolved. Such determination shall be provided within thirty (30) days of the response from FBS;
- (d) In the event that FBS does not agree with the determination of SCBSO then the following dispute resolution procedures will apply. In resolving the dispute FBS and SCBSO commit to proceeding in a manner that avoids adverse public perception which could harm the ability of either entity to meet the blood supply and patient medical needs of the Southeastern service area. To achieve this mutually beneficial outcome any dispute resolution proceedings shall be conducted in a private and confidential setting as outlined herein.
 - (1) The initial step shall be a request for mediation. The request for mediation shall be in writing, by certified mail, return receipt requested, directed to the persons identified in this agreement. A mediator shall be selected who is mutually agreeable to the parties. Mediation shall be conducted within sixty (60) days of the request for mediation. Mediation shall be a condition precedent to demanding arbitration. Mediation will take place at a location mutually agreeable to designated representatives of FBS and SCBSO. In the event the parties are not able to agree to the location of the mediation within fifteen (15) days of the request for mediation, the mediation shall occur in the city where SCBSO's principal office is then located.
 - (2) In the event the parties are unable to resolve the matter through mediation, either party may request arbitration. The request for arbitration shall be in writing, by certified mail, return receipt requested, and shall be directed to the person identified in this Agreement. The request shall identify the issue or issues to be resolved. The arbitration shall be conducted before the American Health Lawyers Association pursuant to rules adopted by this organization. Should it become necessary to seek compliance with this arbitration provision then compliance will be available pursuant to § 684, Fla. Stat. The arbitration will take place at a location mutually agreeable to designated representatives of FBS and SCBSO. In the event the parties are not able to agree to the location of the arbitration within fifteen (15) days of the demand for arbitration, the arbitration will occur in the city where SCBSO's principal office is then located. The party prevailing at arbitration shall be entitled to recover its reasonable attorney's fees and costs incurred during the arbitration.

- (e) During the time period while FBS and SCBSO are engaged in the alternative dispute resolution procedures set forth above, FBS and SCBSO hereby agree that neither entity shall take any action that would disrupt and/or diminish the quality of the services provided to meet the blood supply and patient medical needs of the Southeastern service area.

SCBSO shall execute a joinder upon its filing of articles of incorporation with the state of Florida agreeing to be bound by the terms of this Section 6.7.

ARTICLE VII

- (b) by either Party (i) if any representation or warranty by the other Party is untrue in any material respect, (ii) if there has been a material breach of any warranty, covenant or obligation set forth in this Plan of Merger on the part of the other Party, which misrepresentation or material breach shall not have been cured prior to the Closing Date; or (iii) any condition precedent of the other Party has not been satisfied or complied with prior to or on the Closing Date.

7.2 **Procedure for Termination.** The Party terminating this Plan of Merger pursuant to Section 7.1 shall give written notice thereof to the other Party, whereupon Plan of Merger shall terminate and the transactions contemplated herein shall be abandoned without further action by any Party; provided, however, that if such termination is pursuant to Section 7.1(b)(ii) hereof, nothing herein shall affect the non-breaching Party's right to recover costs and expenses on account of such other Party's breach.

Chairman, Secretary and Treasurer of the Corporation when a vacancy occurs or as the terms of office expire. The Immediate Past Chairman shall be the Chairman of the Nominating Committee.

Section 5.8 Education and Research Committee. The Education and Research Committee shall have oversight of the educational activities, both accredited and non-accredited, of the Corporation. The Education and Research Committee will promote and encourage applications for grants or contracts from governmental and non-government entities and shall review and approve proposed research grants or contracts. The Education and Research Committee shall take other appropriate action to further the improvement of transfusion practices and the understanding of scientific principles that support them. ARTICLE VI

CONFLICTS OR DUALITY OF INTEREST

Section 6.1 Statement of General Policy on Conflicts of Interest. Conflicts of interest or dualities of interest (hereinafter referred to as "conflicts") sometimes occur in the course of conducting the Corporation's daily affairs. A conflict as used in these By-laws refers only to personal, proprietary interests of the persons covered by this policy and their immediate families and not to philosophical or professional differences of opinion. Conflicts occur because the many persons associated with the Corporation should be expected to have and do have multiple interests and affiliations and various positions of responsibility within the community.

Conflicts are undesirable because they potentially or apparently place the interests of others ahead of the Corporation's obligations to its corporate purposes and to the public interest. Conflicts are also undesirable because they often reflect adversely upon the persons involved and upon the institutions with which they are affiliated, regardless of the actual facts or motivations of the parties. However, the long-range best interests of the Corporation do not require the termination of all association with persons who may have real or apparent conflicts if a prescribed and effective method can render such conflicts harmless to all concerned.

Therefore, the Corporation's affirmative policy shall be to require that all actual or apparent conflicts be disclosed promptly and fully to all necessary parties and to prohibit specified involvement in the affairs of the Corporation by persons having such conflicts.

Section 6.2 Coverage of this Policy. This policy shall apply to all directors, officers, agents and employees of the Corporation, including independent contractor providers of services and materials. The Corporation's management shall have the affirmative obligation to publicize periodically this policy to all such parties.

Section 6.3 Disclosure of all Conflicts. All persons to whom this policy applies shall disclose promptly all real and apparent conflicts which they discover or have brought to their attention in connection with the Corporation's activities. "Disclosure" as used in these By-laws shall mean a written description of the facts comprising the real and apparent conflict. Each person to whom this policy applies shall execute an annual disclosure statement indicating that he has read and agrees to abide by this policy. Disclosures of conflicts shall be filed with the President of the Corporation or any other person designated by him from time to time to receive such notifications. All disclosures received hereunder shall be noted for record in the minutes of a meeting of the Board.

Section 6.4 Proscribed Activity by Persons Having Conflicts. When an individual director, officer, agent or employee believes that he or a member of his immediate family has a real or apparent conflict, he should in addition to making the disclosure required under 6.3, abstain from making motions, voting, executing agreements, or otherwise participating in any action on behalf of the Corporation where the conflict might pertain, but shall not be precluded from debate or other similar involvement on behalf of the Corporation. When any person requests in writing, or upon its own initiative, the Board at any time may establish further guidelines consistent with the interests of the Corporation for the resolution of any real or apparent conflicts.

ARTICLE VII
INDEMNIFICATION

Section 7.1 Indemnification of Directors, Officers and Committee Members.

To the full extent permitted under Florida law, each director, officer and committee member of the Corporation now and hereafter in office and his heirs and personal representatives, shall be indemnified by the Corporation against all liabilities, costs, expenses, and other amounts, including attorneys' fees, reasonably incurred by or imposed upon him in connection with or resulting from any action, suit, proceeding, or claim to which he may be made a party or in which he may be or become involved by reason of his alleged acts or omissions as such director, officer or committee member, whether or not he continues to be such director, officer or committee member at the time of incurring such liabilities, costs, expenses, or amounts. The indemnification herein provided shall, with respect to any settlement of any such suite, action, proceeding or claim when in judgment of the Board, such settlement and reimbursement appear to be for the best interests of the Corporation.. The foregoing right of indemnification shall be in addition to and not exclusive of any and all other rights as to which any such director or officer or committee member may be entitled under any statute, bylaw, agreement, or otherwise. Expenses incurred with respect to any claim, action, suit, or other proceeding of the character described in this Article may be advanced by the Corporation prior to the final disposition thereof upon receipt of any undertaking by the recipient to repay such amount if it shall ultimately be determined that he is not entitled to indemnification under this Article.

Section 7.2 Liability Insurance. The Corporation may purchase and maintain directors and officers liability insurance to protect it against some or all of the indemnification liability assumed in Section 7.1.

ARTICLE VIII

GIFTS

Section 8.1 Acceptance of Gifts.

A. The Board may accept or reject on behalf of the Corporation any gift, grant, bequest or devise for the general purposes or for any special purpose of the Corporation.

B. Unless the terms expressly provide otherwise, all gifts, grants, bequests and devises shall be deemed irrevocable.

Section 8.2 Conditions and Limitations. Any person who shall give, bequeath or devise any property to the Corporation may make such gift subject to such conditions and limitations as to the use of the principal or income as he may see fit and may specify such uses for the principal or the income as he may desire, provided such conditions, limitations, specifications and provisions are consistent with the general purposes of the Corporation.

Section 8.3 Funds and Accounts. All such property received and accepted by the Corporation shall become a part of the Corporation property and, subject to any limitations, conditions or requirements may be commingled with other assets of the Corporation. However, such property shall or may be placed in any number of separate and distinct funds or accounts whenever the conditions, limitations, or instructions, of the gift, grant, bequest, or devise require a separate fund or account or whenever the Board, in its judgment, determines that such property should be placed in a separate and distinct fund or account. At the discretion of the board, any such property received and accepted by the Corporation may be transferred to Florida Blood Services Foundation, Inc., to be held and used for the purposed of that corporation.

ARTICLE IX
AMENDMENTS

Section 9.1 Amendments. These By-Laws may be amended by the affirmative vote of a majority of the Directors of this corporation, present and voting, at any meeting of the Board called for that purpose, provided that thirty days written notice of the meeting shall have been mailed to each Director at his last known address. Prior written notice may be waived by the members of the Board provided the waiver of notice be in writing.

ARTICLE X
MISCELLANEOUS

Section 10.1 Books and Records. The Corporation shall keep correct and complete books and records of account and the minutes of the proceedings of the Board. Copies of the minutes of the Board shall be regularly distributed to each director.

At the end of the fiscal year, the books of the Corporation shall be closed and audited by a certified public accountant selected by the Board. Copies of the financial report of the auditor shall be promptly provided to each Director.

Section 10.3 Seal. The Board may provide a corporate seal, which shall be in the form of a circle and shall have inscribed thereon the name of the Corporation.

Section 10.4 Waiver of Notice. Whenever any notice is required to be given under the provisions of the Florida Not for Profit Corporation Act or under the provisions of the Articles of Incorporation or these By-laws, a waiver thereof in writing signed by the persons entitled to such notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

Section 10.5 Additional Organizations. The Board may authorize the formation of such subsidiary affiliated or auxiliary organizations as would in the opinion of the Board assist in the fulfillment of the purposes of the Corporation.

Section 10.6 Rules. The Board may adopt, amend, or repeal Rules (not inconsistent with these By-laws) for the management of the internal affairs of the Corporation and the governance of its officers, agents, committees, and employees.

OF
SOUTHEASTERN COMMUNITY BLOOD SERVICES ORGANIZATION, INC.**

ARTICLE I. THE ORGANIZATION.

Section 1. Corporate Name.

Section 2. Corporate Offices.

The principal office of the Corporation shall be in the State of Florida as such location as may be established by the Board. The Corporation may have other offices within or without the State of Florida as the Board of Directors may from time to time determine.

Section 3. Purpose.

The general purpose for which the Corporation is formed is to promote and facilitate the continuation of a safe blood supply for the benefit of the health, safety, and welfare of the patient recipients in the localities where the Southeastern Community Blood Center, Inc. ("SCBC") previously provided services as of the date of its merger with Florida Blood Services, Inc. ("FBS") (hereinafter referred to as the "Southeastern service area"). This shall include ownership of the real property and reserves of SCBC as may be necessary to promote the purposes described herein. The Corporation shall have such powers as are now or may be hereafter granted by the Not for Profit Corporation Act.

On or about the third (3rd) year anniversary of the effective date of the merger with FBS, but in no event no later than ninety days thereafter, the Board shall meet to vote to convey the assets of the Corporation to a 501(c)(3) entity organized for the support of FBS (hereinafter referred to as the "FBS entity"). An affirmative vote of at least four (4) directors shall be required to convey the assets to the FBS entity. Unless any one or more of the following factors are found to exist with regard to FBS, the Board shall vote affirmatively to convey the assets to the FBS entity:

- (a) impairment of FBS' financial condition which adversely affects the services provided to the SCBC service area;

- (b) justifiable material concerns with respect to FBS' licensure or accreditation with the FDA or other accrediting authorities;
- (c) the needs of the medical community in the SCBC service area are not being met;
- (d) the donations of blood and supply of blood in the SCBC service area are not being met.

In the event the Board fails to vote (either in the affirmative or negative) on the transfer of the assets within 90 days of the third anniversary date of the merger effective date, then it shall be deemed that the Board affirmatively voted to transfer the assets of the Corporation to the FBS entity.

Section 4. Corporate Dissolution.

A. In the event of the dissolution of the Corporation, the Board, after paying or making provisions for the payment its liabilities, shall distribute the assets to the Board of Directors of a tax-exempt organization under sections 501(c)(3) and 170(c)(2) of the Internal Revenue Code (or any corresponding provision of any law of the Internal Revenue Code) for one or more of the exempt purposes within the meaning of section 501(c)(3) of the Internal Revenue Code or the corresponding provision of any future United States Internal Revenue law.

B. Any such asset not so disposed of shall be disposed of by a court of competent jurisdiction of the county in which the principal office of the Corporation is then located, exclusively for such purposes or to such organizations which shall at the time qualify as exempt organizations under section 501(c)(3) of the Internal Revenue Code or the corresponding provision of any future United States Internal Revenue law.

Section 5. Composition.

Should a majority of the members of the Board, however, decide that it is appropriate to allow for a class or classes of members at a later date, these bylaws will be amended to reflect the number of member classes allowed; the designation of such class or classes; the qualification and rights of the members of each class; any quorum and voting requirements for meetings

and activities of the members; and the notice requirements sufficient to provide notice of meetings and activities of these members.

ARTICLE II. BOARD OF DIRECTORS.

The business of the Corporation will be managed and its corporate powers exercised by the Board.

Section 3. Qualification.

Each Director must be an adult, but need not be a resident of Florida. In addition, no director may be related, by blood or marriage, to any other member of the Board.

All subsequent directors shall be appointed by the Board. Vacancies occurring on the Board before the end of the Director's term shall be filled pursuant to the provisions of Section 7, below.

Section 5. Duties of Directors.

A Director shall perform those duties necessary to carry out the business of the Corporation, including the duties as a member of any committee of the Board upon which the Director serves, in good faith, and in a manner the Director reasonably believes to be in the best interest of the Corporation, and with such care as an ordinary prudent person in the same or similar position would use under similar circumstances.

In performing said duties, the members of the Board may rely on information, opinions, reports, or statements, including financial statements and other financial data, prepared or presented by the following:

A Director will not be considered as acting in good faith if the Director has knowledge concerning the matter in question that would cause the reliance described above to be unwarranted.

Section 6. Presumption of Assent.

A member of the Board of Directors who is present at a meeting of the Board during which action on any corporate matter is taken is presumed to have assented to the action unless the Director votes against it or expressly abstains from voting on it. The Secretary of the meeting shall record each abstention in the minutes of the meeting.

Section 7. Vacancies.

Unless filled by the President, any vacancy occurring in the members of the Board of Directors, including any vacancy created by the increase in the number of Directors, may be filled by the affirmative vote of two-thirds (2/3) of the remaining Directors, even if less than a quorum. A Director elected to fill a vacancy shall hold office until the next election of Directors.

Section 8. Quorum and Voting.

A majority of the Directors constitutes a quorum for the transaction of business. The act of the majority of the Directors present at a meeting at which a quorum is present will be considered the act of all the Directors.

Section 9. Executive and Other Committees.

The Directors, by resolution adopted by a majority, may designate from among themselves an executive committee and one or more other committees, each of which, to

the extent provided in the resolution, will have and may exercise all the authority of the Board of Directors, except that no committee shall have the authority to:

- (a) Approve or recommend to the Directors action or proposals required by law to be approved;

Section 10. Place of Meeting.

Regular and special meetings by the Board of Directors may be held within or outside the state of Florida.

Section 11. Meetings.

A. Regular Meetings.

- 1. The Board will hold at least four regular meetings each year.
- 2. A regular meeting shall be held immediately preceding the opening of the Annual Meeting, which shall be held within thirty (30) days of the calendar year. Subsequent meetings shall be held during the first month of each quarter thereafter. The Board of Directors may provide, by resolution, the time and place for the holding of additional regular meetings without notice other than said resolution.
- 3. The presence of a majority of the members of the Board shall constitute a quorum and unless otherwise specified in these Bylaws, all decisions will be made by concurring vote of not less than a majority of those members of the Board present.

B. Special Meetings.

1. A special meeting of the Board may be called by or at the request of the President, a majority of the officers, or by any two Directors.
2. The time and place for the special meeting will be fixed by the person or persons calling the meeting.

C. Notices and Minutes.

1. Notice of each meeting of the Board will be sent in writing by the Secretary/Treasurer by personal delivery or first-class United States mail, telefax transmission or other means of electronic transmission to each member of the Board at least ten (10) days before the date fixed for the meeting except when the purpose of the meeting is to amend the Corporation's Bylaws and/or Articles of Incorporation in which case each member of the Board will be sent notice of such meeting in writing in the manner set forth above at least thirty (30) days before the date fixed for the meeting.
2. Minutes of the meetings of the Board shall be recorded by the Secretary/Treasurer and approved by the Board at its succeeding meeting.

Section 13. Rules of Order.

All meetings of the Board of Directors will be conducted in accordance with Robert's Rules of Order, latest edition.

Section 14. Method of Meeting.

Directors may participate in a meeting of the Board of Directors by means of a conference telephone or similar communication equipment by which all persons participating in the meeting can hear each other at the same time. Participation by such means constitutes presence in person at a meeting.

Section 15. Action without a Meeting.

Any action required to be taken at a meeting of the Board of Directors, or any action that may be taken at a meeting of the Board of Directors or committee of the Directors, may be taken without a meeting if a written consent, setting forth the action to be taken and signed by all of the Directors or committee members, is filed in the minutes of the proceedings of the Board of Directors or of the committee before the action is

taken. All Directors need not sign the same document. A unanimous written consent has the same effect as a unanimous vote.

Section 16. Removal of Directors.

Any Director may be removed for or without cause by an affirmative vote of those entitled to elect the Director to office.

Section 17. Board Suspension of an Officer's Authority.

The authority of an officer to act may be suspended by the Board for cause, but such action shall not be taken if more than one Board member votes against it. Voting shall be by secret ballot and such officer will have the opportunity to address the Board prior to the vote. The Board's action will be final.

ARTICLE III. OFFICERS.

Section 1. Officers.

The Corporation will have a President, a Secretary, and a Treasurer in addition to such other officers and assistant officers that may from time to time be elected by the Board as it deems necessary to carry out the affairs of the Corporation. The President shall serve as the Chief Executive Officer. An individual may hold two or more offices except the same person shall not hold the office of President and Secretary. Compensation for any officers, if any, shall be fixed by the Board.

Section 2. Election and Term of Officers.

A. At its annual meeting or as soon thereafter as conveniently may be, the Board shall elect Officers. The President, Secretary and Treasurer shall serve for a one year term and may serve consecutive terms. Said Officers will hold office until a successor has been duly elected and qualified or until the Officer's earlier death, resignation, or removal from office as hereinafter provided.

B. Additional officers of the Corporation elected by the Board from time to time as deemed necessary and advisable to carry out the affairs of the Corporation shall hold office at the pleasure of the Board or until their successors are duly elected or appointed and qualified.

C. Vacancies occurring on the Board or among the officers shall be filled in the manner prescribed in these Bylaws.

The President will be the administrative head of the Corporation and will exercise general supervision of the Corporation's business and affairs, except such thereof as are placed under the administration and supervision of the Secretary and Treasurer. The President shall perform all duties incidental to the office and those that are required to be performed by law, these Bylaws, and those that are properly delegated to the President by the Board.

Section 4. Vice President.

The Vice President, if one is appointed, has the power and shall perform the duties the Board or the President prescribes. If the President is absent or otherwise unable to act, the Vice President who is present and able to act shall perform all duties and may exercise all powers of the President. Section 8. Removal.

An Officer or agent elected or appointed by the President may be removed by the Board with or without cause when, in its judgment, the removal would serve the best interests of the Corporation. The removal will be without prejudice to any contractual rights of the person removed. The appointment of any person as an officer, agent, or employee of the Corporation does not create a contractual right to said position.

ARTICLE V. INDEMNIFICATION.

Any person, heir or personal representative who is made or threatened to be made a party to any threatened, pending, or completed action or proceeding, whether civil, criminal, administrative, or investigative, because the testator or intestate is or was a Director, Officer, employee, or agent of the Corporation or serves or served any other corporation or enterprise in any capacity at the request of the Corporation, shall be indemnified by the Corporation and the Corporation may advance the persons related expenses to the full extent permitted by law. The foregoing right of indemnification or reimbursement shall not be exclusive of other rights to which the person or the person's heirs or personal representative may be entitled. The Corporation may, upon the affirmative vote of a majority of the Board of Directors, purchase insurance for the purpose of indemnifying these persons. The insurance may be for the benefit of all Directors, Officers, or employees.

Tenant's non-occupation of the Premises for a period of thirty (30) consecutive days shall be conclusively deemed an abandonment.

SECTION 20 REMEDIES

Upon the occurrence of an Event of Default by Tenant, Landlord may exercise the remedies described in this Lease: (a) Landlord may cancel and terminate this Lease and dispossess Tenant; (b) without terminating or cancelling this Lease, Landlord may declare all amounts and rents due under this Lease for the remainder of the existing Term (or any applicable extension or renewal thereof) to be due and payable immediately, and thereupon all rents and other charges due hereunder to the end of the initial term or any renewal term, if applicable, will be accelerated; (c) Landlord may elect to enter and repossess the Premises and relet the Premises for Tenant's account, holding Tenant liable in damages for all expenses incurred in any such reletting and for any difference between the amount of rent received from such reletting and the amount due and payable under the terms of this Lease; (d) Landlord may enter upon the Premises and do whatever Tenant is obligated to do under the terms of this Lease (and Tenant will reimburse Landlord on demand for any expenses that Landlord may incur in effecting compliance with Tenant's obligations under this Lease, and Landlord will not be liable for any damages resulting to the Tenant from such action). Tenant agrees to keep the Premises in good repair and condition except, however, for any damage, repair, or injury thereto caused by or resulting from any negligence, act, or omission of the Landlord or any of the Landlord's agents, servants, employees, licensees, invitees, and customers. Tenant will not commit or allow any waste to be committed on any portion of the Premises. No alteration in, or addition to, the Premises will be made without first obtaining Landlord's prior written consent, which Landlord may grant or withhold for any reason. At the termination of this Lease, Tenant will deliver the same to Landlord in as good condition as they were in when Tenant first took possession thereof, ordinary wear and use excepted. Notwithstanding anything else in this Lease to the contrary, Landlord shall not be required to restore the Premises in the event the Premises are damaged by casualty or taken by eminent domain during the Term of this Lease.

SECTION 8

SECTION 9
CONDITION OF PREMISES

The taking of possession of the Premises by Tenant at the Commencement Date shall be conclusive evidence as against the Tenant that Tenant accepts the same "as is" and that the Premises were in good and satisfactory condition for the use intended at the time such possession was taken. Neither Landlord nor Landlord's agents have made any representations or promises with respect to the physical condition of the Premises, the rents, leases, expenses of operation, or any other matter or thing affecting or relating to the Premises except as herein expressly set forth; and no rights, easements

or licenses are acquired by Tenant by implication or otherwise except as expressly set forth in the provisions of this Lease. Tenant has become thoroughly acquainted with the condition of the Premises. Landlord has no obligation to repair, improve, or add to the Premises prior to Tenant's occupancy thereof.

SECTION 10

Such policy of insurance shall name Landlord as additional insured and shall be written by companies licensed to transact insurance business in Florida and reasonably satisfactory to Landlord. At Tenant's sole cost and expense, Tenant shall maintain on all its personal property in the Premises a policy of standard fire and extended coverage insurance, with vandalism and malicious mischief endorsements, to the extent of the full replacement value of such personal property. Throughout the Term of the Lease, Tenant shall maintain such worker's compensation or employer's liability insurance as may be required by law and any malpractice or professional liability insurance, automobile liability (if applicable), and business interruption insurance as is generally carried by owners of similar properties in such amounts and against such risks as are then customary for properties similar in use.

SECTION 13
INDEMNITY

Tenant shall indemnify and hold Landlord harmless from and against any claims, actions, liabilities, obligations, or suits arising out of or in connection with Tenant's use of the Premises and the conduct of Tenant's business or any activity, work, or things done, permitted, or suffered by Tenant in or about the Premises. Landlord shall not be liable to Tenant for losses to Tenant's property or personal injury caused by criminal acts or entry by unauthorized persons into the Premises (*other than through the gross negligence or willful misconduct of Landlord or Landlord's agents or contractors*).

SECTION 14
WAIVER OF SUBROGATION

Landlord and Tenant each waives any and all rights to recover against the other or against any other tenant or occupant of the Premises, or against the officers, directors, shareholders, partners, joint venturers, employees, agents, customers, invitees, or business visitors of such other party, or of such other tenant or occupant of the Premises, for any loss or damage to such waiving party arising from any cause covered by any property insurance required to be carried by such party pursuant to this Lease or any other insurance actually carried by such party. Landlord and Tenant from time to time will cause their respective insurers to issue appropriate waivers of subrogation rights endorsements to all property insurance policies carried in connection with the Premises or the contents of the Premises.

SECTION 15
SIGNS

Tenant shall not erect, install, maintain, or display any signs on the interior or exterior of the Premises without the prior written consent of Landlord. Upon the termination of this Lease, Tenant shall remove all signs and repair any damage to the Premises caused by such removal.

SECTION 16
ASSIGNMENT

Tenant shall not assign this Lease, or any right or privilege granted hereunder, or sublet all or any portion of the Premises, without Landlord's prior written consent, which consent may be withheld or denied in Landlord's sole and absolute discretion.

SECTION 17
LIENS

Tenant shall not permit any liens to attach to any interest in the Premises for labor, services, or materials furnished thereto pursuant to a contract with Tenant; and in the event such liens do attach, Tenant agrees to immediately pay and discharge the same

Tenant shall be deemed in default of its obligations under this Lease upon the occurrence of any of the following (each, an **Event of Default**): (a) Tenant's default in payment of any rent, additional rent, or other sums due hereunder; (b) Tenant's continued default in performance of any other covenant, promise, or obligation of this Lease for a period of more than thirty (30) days after delivery of written notice of such default to Tenant; (c) the bankruptcy of, or appointment of a receiver or trustee for, Tenant, or Tenant's voluntarily petitioning for relief under or otherwise seeking the benefit of any bankruptcy, reorganization, or insolvency law; (d) Tenant's abandonment or vacation of the Premises during the Term of this Lease or any extension or renewal thereof. Tenant's non-occupation of the Premises for a period of thirty (30) consecutive days shall be conclusively deemed an abandonment.

SECTION 20 REMEDIES

Upon the occurrence of an Event of Default by Tenant, Landlord may exercise the remedies described in this Lease (a) Landlord may cancel and terminate this Lease and dispossess Tenant; (b) without terminating or cancelling this Lease, Landlord may declare all amounts and rents due under this Lease for the remainder of the existing Term (or any applicable extension or renewal thereof) to be due and payable immediately, and thereupon all rents and other charges due hereunder to the end of the initial term or any renewal term, if applicable, will be accelerated; (c) Landlord may elect to enter and repossess the Premises and relet the Premises for Tenant's account, holding Tenant liable in damages for all expenses incurred in any such reletting and for any difference between the amount of rent received from such reletting and the amount due and payable under the terms of this Lease; (d) Landlord may enter upon the Premises and do whatever Tenant is obligated to do under the terms of this Lease (and Tenant will reimburse Landlord on demand for any expenses that Landlord may incur in

effecting compliance with Tenant's obligations under this Lease, and Landlord will not be liable for any damages resulting to the Tenant from such action).
