Re: Emerald Coast Pediatric Primary Care, Inc./Doc# N50394/FID# 59-3141073

To Whom It May Concern:

I recently discovered that Emerald Coast Pediatric Primary Care, Inc. has not filed a Uniform Business Report since 2001 after a courtesy check for my clients as to whether they are current in the Uniform Business Report filings. Of course they are now listed as inactive.

Upon discussion with their management they were unaware of not filing. The Organization moved in 2002 and the preprinted Uniform Business Reports were never received at the new address for 2002 and 2003. The Organization relies on the preprinted Uniform Business Reports to remind them of their filing. Without the preprinted forms the Organization was not prompted to file.

We respectfully request that penalties be abated for this oversight and are including in this mailing the completed 2002, 2003 and 2004 Uniform Business Reports along with payment for all three years of \$183.75 (\$61.25 for each year). This should bring the Organization up to date.

Please consider our request for penalty abatement, as non-filing was purely unintentional. Should you have any questions please feel free to contact me. Thank you for your attention to this matter.

Sincerely,

*Margie Meyer, CPA*
