Mr. Lewis

This is a 100% Volunteer operation under The St. Petersburg Police Dept.

None of us know why this office was incorporated in the first place. We sell nothing - make nothing neither things or services.

The people who were here in 1993/2 are gone.

We disseminate information, register Bicycles and provide a place the public and the Police officers can use. We have Telephones, a Computer, a FAX - Reproductor - Microwave + coffee machine - for the use of Police - and a copying machine so that we can duplicate copies to the public of general information.

We do not charge for these services as we have Grant money distributed to us to meet our needs - The Grant is given to the Police Dept who in turn distributes to us.

In 93 This was the only center now there are Six throughout the City. ~~and~~ we have a full time Vol coordinator who has her office in the Police Dept.
