If and when you send out the 1998 forms for the fee due between February and May 1998, please send to the above address.

Elizabeth has explained that we have paid this years (97) fee. I am sorry to cause this work but you understand this is a non-profit corporation which is all volunteer and serves any member of the public who wishes to join to provide the cheapest funeral or disposal per contract each year with lowest suitable price bid by open public bid to local funeral parlors.

Is there anything else for us to do? Do you have any forms we should have?
