To all financial institutions, potential supporters of the Florida State Primitive Baptist Convention, owner of Miracle Hill Nursing and Rehabilitation Center, Miracle Village and other properties, please be advised that Elder Dr. Willie J. Williams is no longer President of the Florida State Primitive Baptist Convention, and is no longer authorized to conduct business in the name of the Florida State Primitive Baptist Convention. Please note that anyone who signs documents with him signs at their own risk.

On December 6, 2022, the Florida State Primitive Baptist Convention met with over 300 members, of which 200 were delegates, representing five of eight associations over 150 churches. The convention delegates, over 200, voted Elder Dr. Chris A. Burney of Tallahassee, Florida as the new President, Elder Dr. James Chester as Vice President, and Elder Terry Price as Chairman of the Miracle Hill Board of Directors. These new leaders were reaffirmed on January 6, 2023 at the Florida State Primitive Baptist Convention's One Day Session, which served as an official Florida State Primitive Baptist Convention meeting.

Dr. Williams has not yet accepted the convention's actions, and has continued to create operational problems for the convention's new leadership. The officers of the new administration, under Elder Dr. Chris A Burney, filed on December 6, 2023 with Sunbiz Division of Corporations its new officers. On January 3, 2023, Dr. Willie J. Williams refiled the former administration's officers. On January 4, 2023, Dr. Chris A. Burney refiled again. Dr. Williams' most recent filing was on January 17, 2023. ***This process has to end.***

All vendors and potential supporting partners have been made aware of Dr. Williams' refusal to turn over all pertinent documents, including changing the corporate Board of Directors with his own Board. He also continues changing banking signature cards. All of these are serious issues and, subsequently, have caused the convention's new leadership to contact the State of Florida Office of the Attorney General.
