Re: Annual Report

To Whom It May Concern;

After closely reviewing information that was e-mailed to my attention, regarding my position as "D" director for the Florida League of Conservation Voters Education Fund Board of Director, I ask that my name be removed from the list immediately.

Noting the conversation with your staff person regarding my status, and the document signed by Dan Hendrickson, I was unaware of my serving as a director for the League. I will notify Mr. Hendrickson of this action and ask that my name be removed from the board.

Per this notice, I would appreciate your removing my name from the board of directors immediately. According to your records, my name was added to the Annual Report on May 21, 2001. I have never received any notice about my active participation on the board nor have I received copies of my status or annual reports.

Thank you for correcting this matter.

Sincerely,

Anita L. Davis
