Corporate Reinstatement

Dear Mr. Toner:

Again, thank you for your telephone help relative to the above. As you instructed, in order to be given a "reinstatement without penalty," I am enclosing here a copy of my June 25, 2002, letter submitting a corrected copy of the Association's 2002 filing as well as a copy of the cancelled check submitted with this filing. Apparently, the state did not receive this corrected copy and subsequently administratively dissolved the corporation. I have only just discovered this problem.

I am also enclosing a check in the amount of \$122.50 to accomplish this reinstatement. Relative to my concerns about the fact that in 2003, the corporation was not operating under the auspices of the state of Florida, you indicated that a reinstatement without penalty means that the administrative dissolution is deemed never to have occurred and thus the reinstatement is essentially retroactive to the date of dissolution.

Please let me know if there is anything further you need from me in order to facilitate this process. You may reach me by post or telephone at the above as well as by e-mail, which is of course the timeliest way to contact me.

Again, thank you for your help.

Very sincerely,

  
Catharine Campbell-Moose  
Executive Director
