**Re: Filing of the Articles of Merger
The Greater Daytona Beach Area Young Men's Christian
Association**

Dear Ms. Ramsey:

I understand that the Division of Corporations has been having problems with their fax machine. We are now faxing the attached Articles of Merger for the 4th time. We initially filed this document on Thursday, June 19, 2008. However, the name of one of the entities inadvertently was missing the "The" in the beginning of its name. We fixed this problem the same day that we received your notice of the error and faxed over the corrected Articles of Merger, as instructed. Since that date, Friday, June 20, 2008, we have been told you cannot read the document we are faxing. Everything looks fine on our end, so we all agree the problem is on the receiving end of the fax.

The purpose of this note is to respectfully request that the date of filing for these Articles of Merger be Friday, June 20, 2008, which is the date the corrected documents were filed. It is very important that the Articles of Merger not be delayed any further. I do not believe it proper to give the filing a delayed filing date due to an error with the Divisions' fax equipment. Thank you for your consideration in this request.

Sincerely,

Christene M. Ertl
