Dear Sir/Madam:

On January 13, 1998, I spoke with a representative in your office regarding the status of the Association of Black Psychologists, South Florida Chapter with the Florida Department of State. I was informed that on May 8, 1997 the application along with a check in the amount of \$61.25 were returned because the application was incomplete. According to your office, the Association's FBI number, and its three trustees and their designated titles were missing from the application. As it was explained to the representative in your office, the Association did not receive the correspondence, and was therefore not aware of the pending dissolution of the Association's corporation status to transact business in the State of Florida.

I was informed that the application (for the current year) may be resubmitted, including the aforementioned information, along with a check in the amount of \$122.50. Therefore, the Association is resubmitting a complete application, along with a check in the amount of \$122.50. Thank you for your cooperation.

Sincerely,

Dorothy A. Holmes, Ph.D., Treasurer
