To Whom it may concern,

I established Fishing for Success, Inc in December of 1995 as a foundation that would work with at risk youth. I became a graduate student at the University of Florida, Department of Fisheries and Aquatic Sciences developing Fishing for Success™. Over the years the program has become very successful. The University thought it best at the time for donations to go through the U of F's SHARE foundation instead of the Fishing for Success, Inc foundation.

Although we did not use the foundation during the time I was in graduate school, I still maintained the corporation and the 501C 3 status. For some reason, I did not receive the renewal notices for 2000 and 2001 and since I did not receive the notices, I forgot to file them. I know it is no excuse but I am asking that you please waive the extra filing fee. I have enclosed a check for \$175.00 for the filing fee ~~Penalty~~ as well as a check for \$183.75 in case you determined I must pay.

This is a small foundation which is just getting up and running again after being non-active since 1995. I am having to pay this out of my personal expenses and would appreciate the assistance of waiving the ~~\$175.00~~ ^{filing fee}. If you decide it can be waived please return the check to me in the self-addresses stamped envelope provided.

Sincerely,

Kelly Amerson
