I am trying to have the address that Florida Secretary of State has on file for Beneva Village Condominium Association Inc. The entity has been in administratively revoked status since not filing the 1997 annual report. They do not want to reinstate nor change the agent and have been receiving forwarded service of process from the state to the address you have on file in FL. They would like it sent to the WA address in the attachment. Please let me know if you can update this information from the attached letter. Thank you.
