Statement of Faith

The Way is the way to spiritual growth and development. We acknowledge the existence of one, omnipotent, omniscient God, creator of the Universe and all which it contains. We believe that we were created out of love by God and that we will one day live with God in happiness for all eternity. To achieve this end, we believe that we have been created as spirits and that as spirits, we live immortal lives. In order to grow and achieve perfection, we believe that we live lives on material planes of existence for the purpose of experiencing trials and successes as a means of growth and that this life we live is one of these material existences. We believe that, ordinarily, we are blocked from remembering our spiritual lives in order to provide us each with a level playing field for development.

We believe that all religions are but an attempt of man's to reach out to God. We believe that all faiths are essentially correct and that they all lead to God, but we feel that while the ways to God are many, the direct path to God is ultimately through living a good, loving, charitable life. As such, we believe that members of all faiths and denominations who practice our methods will benefit directly from them and move them closer to the goal of unity with God.

We believe in the essential goodness of man, but acknowledge that the seeds of evil also abide in all of us. We believe in free will and the ability of each of us to choose consciously and unconsciously, our own path through life. We believe that every good act is its own reward, but further; that any and every good act produces a universal increase in goodness that spreads beyond the act itself to promote good, and that the same is of evil acts. By doing good, practicing love and charity, we increase not only our own spiritual growth, we raise the karmic good of the universe.

We believe we were created to love God and to love His creation. We believe that the outward show of love is what called charity. We believe that you show your love for God and his creation by acts of charity stemming from that love. This is the only form of worship that is ultimately acceptable to Him Who made us. It is only by actions that faith and love are shown. Without actions, there can be no faith. We do not believe that weekly services, as is common in other faiths, are necessarily a valid means of worship, unless that worship is carried out by the action of the faithful twenty-four hours a day, seven days a week. We leave the Sunday services to the individual to handle by the means that most suits them, recommending only that a day of rest be observed if the individual does not attend any other church on Sunday.

Finally, we believe in karma, or, "As you sow, so shall you reap." When we perform charitable acts, we build spiritual power and grace for ourselves. We also assure ourselves of the god we do returning to us on the material world as well as on the spiritual plane.
