To whom it may concern,

9/5/00

It has come to my attention that our annual report is late. My part-time assistant called and told me that the late fee is \$150. And that a letter of explanation was necessary.

I misplaced the form and when I found it, it was attached to last year's form that had to be filed by Sept. 15. I did not notice the change in date until last week.

(158.75)
I am submitting the form and a check for \$150. This additional fee is a small burden on myself and the non-profit organization that we are. Its my hope there will be no additional late fee. We do need to be recognized as an active corporation.

If there are any questions/problem, please write or call immediately so I can fix this.

Sincerely,

Brad Watson
