The notice of the Administrative Dissolution or Revocation of the above numbered document was more successfully delivered to the club address than your stated mailings of June 9 and September 13. These mailings were not delivered due to an improper address by your department. I have paid promptly upon receipt of all previous billings by your department. My file shows the above address is the address for all your previous mailings.

I was in conversation with a telephone clerk at 850-487-6059 option 2 today. She told me to send a check for \$61.25. She stated that these notices had been returned by the Post Office. The reason obviously was an improper address by your department.

I am returning your form with corrections listed for mailing.
