Florida State Dept of Corporation

To Whom It May Concern:

Regarding the conversations today with a number of our new board members, below is the explanation of why our corporate status was dropped.

As president for the year of 1999, one of my first duties was to send off our corporate renewal form with a check attached. I completed this form and sent it off with the new officers typed in the new areas. A few months later I received another form exactly like the first one. Attached to that was a request that we were late and needed to file new officers.

At that point I pulled out our check from our bank statements that had already been processed. I made a copy of it and typed a letter that I had already sent our paper work in with the new officers and that the check sent with it had already been processed. The second form, copy of the check (front and back) and a letter was sent back again.

Now the new officers are trying again to complete the correct paperwork and have it processed correctly the first time around. From the phone conversations with your department today, our instructions now are:

1. Type a letter stating what happen and why.
2. Attach it to the new form with the new officers.
3. Attach a check for \$61.25
4. With all of the above a reinstatement fee will not be charged.

Please note that we could be in your system as either" **THE ORANGE CITY JAYCEES**  
**OR THE "NEW" ORANGE CITY JAYCEES.**

Thank you for your prompt attention to this matter.

Sincerely,

Gail T. Vaughn  
President "1999"
