ARTICLE XI

Indemnification of Directors and Officers, Employees and Agents

(a) The Foundation hereby indemnifies against liability any person who was or is a party to any proceeding (other than an action by, or in the right of, the Foundation),

(i) by reason of the fact that such person in his or her capacity as Director, officer, employee or agent of the Foundation, or such person in his or her capacity as Director, officer, employee or agent of the Foundation, or such person in his or her capacity as director, trustee, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he or she served at the request of the Foundation in connection with such proceeding, including any appeal thereof, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Foundation and with respect to any criminal actions or proceedings, had no reasonable ground for belief that such action was unlawful. The termination of any proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such person did not act in good faith in the reasonable belief that such action was in the best interests of the Foundation or that he or she had reasonable grounds for belief that such action was unlawful.

(ii) by or in the right of the Foundation to procure a judgment in its favor by reason of such person being or having been a Director or officer, employee or agent of the Foundation, or by reason of such person being or having been a director, officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which such person served at the request of the Foundation, against the reasonable expenses, and amounts paid in settlement not exceeding, in the judgment of the Board of Directors, the estimated expense of litigating the proceeding to conclusion actually and reasonably incurred in connection with the defense or settlement of such proceeding, or in connection with an appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Foundation. Such person shall not be entitled to indemnification in relation to matters as to which such person has been adjudged liable unless and only to the extent that the court,

in which such proceeding was brought, or any other court of competent jurisdiction, determines in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such court shall deem proper.

(b) The Board of Directors shall have the sole discretion to determine whether amounts for which a Director or officer seeks indemnification were properly incurred and whether such Director or officer acted in good faith and in a manner he or she reasonably believed to be in the best interests of the Foundation, and whether, with respect to any criminal action or proceeding, he or she had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such proceeding. If such a quorum is not obtainable, such determination shall be made by majority vote of a committee duly designated by the Board of Directors (Directors who are parties may participate) consisting solely of two or more Directors not parties to such proceeding.

(c) The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Foundation to indemnify under applicable law.
