Re: Resignation from the Board of Directors

Dear Sir or Madam:

This is to inform you that as of March 23, 2003 I resign as a board member for the Debt Management, Inc. organization. I did not realize that I was still on the Board of Directors until I received a letter from the I. R. S.

As you are aware, I have had no active role in the company in the past and do not wish to have an active role in the company now. I have never been asked to attend the board meetings, nor have I ever seen the minutes of your meetings. As I stated above, I did not realize that I was a board member and I want to make it very clear that I have no desire to become a board member.

Sincerely,

A handwritten signature in cursive script that reads "Beverly Daniel". The signature is written in dark ink and is positioned above the printed name.
