## LIFE TEMPLE OF DELIVERANCE, INC.

The birth of Life Temple of Deliverance is about to unfold. The vision was inspired by God through the Co-Founder, Evangelist Gwen Williams. The name of this vision was given to Evangelist Willie Williams who will be the Pastor.

The vision that the Lord gave was to start an Outreach Mission that will serve breakfast (free of charge) to the homeless, helpless and the hungry. These are the same people that Jesus reached out to. The kingdom of Heaven was taken by force and the vision is to take back what the enemy has stolen from our community. To help minds be restored, souls saved and delivered from bondage. Morning prayer and devotion is the main objective for this breakfast. This will be a come as you are type of setting. We plan to win these souls with love and kindness. Therefore, no one will feel left out, rejected, overlooked or out of place. If we get the heart and soul right everything else will fall into place.

Noon day prayer and tarry services will be conducted daily at the mission also. People that have gotten saved and need to be nourished will have a place to worship daily. This is how they will get the strength to be an overcomer and a winner. We want to show them how to live holy and acceptable lives according to the word of God. These services will be conducted by strong prayer warriors such as Mother Elizabeth Williams and others. This service is not limited only to those that have gotten saved but, to those that desire to be saved as well.

There will be a Priceless Pearl Group that will go into the projects and homes that will tell of the goodness of the Lord. They will cater to the needs of the single parents, drug addicts and the prostitutes. We will have babysitting services on hand while the mothers spend quality time in the word of God. The people that will be a part of this group will be people that have been there and their lives are living testimonies as to what God can do. The witnessing will be more effective if the people have been there themselves.

The Life Evangelistic Team will remain in full force as they are now. This ministry goes into the prisons, work release centers and conduct services at other churches. At the present time, this minstry goes to Tomoka Correctional Institution in Daytona Beach, Florida and Brevard Correctional Institution Work Camp in Cocoa Beach, Florida. We are in the process of getting set up to go to the Florida State Work Release Center in Kissimmee, Florida. Our long term goal is to purchase a building that will house and be a support system for inmates. We want to be that bridge that will help them live crime free and productive lives as citizens in their neighbors.

Finally, we will construct the main sanctuary of Life Temple of Deliverance. This will be a place of worship for all people. We will have weekly tarry services, new member classes, intermediate classes, advanced classes and Bible study. We will continue to serve the needs of the people. We plan to have honest people that will be over the finances and pray over everything that we do. We want to serve all people. We pray that you all will pray with us and continue to be with us as we seek to do the will of our Father that sent us.

Evangelist Willie and Gwen Williams
