- A. The document to amend Articles of Incorporation submitted on May 20, 1998, is here by invalid for the following reason:
  - 1. Phyllis Johnson, Christine Patterson and Jerry Brow were not present in meeting held on December 1, 1998, because the date of December 1, 1998 has not yet occurred. Phyllis Johnson and Christine Patterson did not attend any meeting held in December of 1997, also due to the fact that Phyllis Johnson did not become a volunteer until February 1998.
  - 2. Phyllis Johnson and Christine Patterson were not, and are not registered officers of the corporation.
  - 3. According to Florida Statutes 425.13, Approval of Board of Trustees did not exist to submit amendments.
- B. Annual report dated February 7, 1998 submitted by Dan Benvie, a volunteer, without knowledge or signature of President, Registered Agent, Chairman of the Board of Directors, or one of the Original Incorporators. According to Florida Statute 617.303 which required acknowledgment of the President. Dan Benvie had no legal right or authorization to sign himself in as Officer of the Corporation, or sign in Christine Patterson or Phyllis Johnson as officers/trustees of the Corporation. Thus, this document submitted by Dan Benvie is invalid. Phyllis Johnson and Christine Patterson are not legal Officers of the Corporation, they are only volunteers.
- C. While Jerry Brow, President, Registered Agent and Founder of the Humanitarian Medical Relief, f/n/a Venezuelan Medical Relief was in the country of Venezuela, he had full communications with the HMR office here in the USA. Jerry Brow never received communications from volunteers as to legal changes of organization or changes in operations of the corporation.
- D. Removal of legal documents, check book, original receipts, and other items from the office of the HMR Corporation by volunteers without the consent of knowledge of the President, Registered Agent and Founder of the Organization.
- E. Volunteers changed operating telephone lines and locks to the office without authorization or consent from Jerry Brow, President, Registered Agent and Founder of the organization.
- F. Keys from the corporate storage facility, Corporate checkbook and other legal documents were removed from the corporate office, without authorization, consent or knowledge of Jerry Brow, President, .

  Registered Agent and Founder of the organization. When items were requested by Jerry Brow for the prompt return of these items back to Humanitarian Medical Relie, Inc.

the corporate office, the volunteers refused the request. Violation of Florida Statute 617.303 #5 (6).

In summary, this mutiny of volunteers are trying to overthrow original incorporator and take over the corporation. the Communications with the general public as to the removal of the President, Registered Agent, Original Incorporator have been stated without, knowledge, consent or justifiable reasons by the group of volunteers whom want to remove the President, Registered Agent, and Founder of the Corporation. The reasons the volunteers state as to their request of the President stepping down is that the president is not spiritual enough, and they are not in agreement to the decisions he made in the country of Venezuela with regards to protecting the mission project; started by Jerry Brow, President, Registered Agent and Founder of the organization two and a half years prior to the organization being legally established. To which the president registered the donated items under his name in Venezuela to protect the mission project and its survival after legal documents were created stating Jerry Brow is a legal representative of Venezuelan Medical Relief, n/k/a Humanitarian Medical Relief with the guidance of a Venezuelan attorney.
