Re: South Beach Society of Religious Science, Inc

This letter is a follow up to a call I just placed to your office today regarding a dissolution notice for our church group. We sent our check # 1185 in the amount of \$ 70.00 off to you in July and was shocked to get a dissolution notice in today's mail.

After speaking with Shawn in your agency I was told that the agency did receive our check for full payment, but that they returned the application along with the check because the officers were not listed with "D" for directors. We still have not received the check and had assumed that you had been processing the application.

Enclosed is another \$70.00 check as requested by your representative along with this letter he asked for explaining our circumstances and a new application since the one we sent to you (that the Dept of State 's representative said got mailed back) is apparently is lost in the mail.

I genuinely appreciate your consideration with this. We made every effort to get this in time and would have immediately sent it back if we had gotten it
Sincerely,

Gregory Harte
