To Whom It May Concern:

This letter is in regards to late filing of the UBR for the Foundation for Rural Education Excellence (Document # N98000002921). It appears that we missed the September 12, 2001 deadline and our corporate status has been revoked or dissolved.

The reason why the deadline was missed is due to a change in the procedures at the U.S. Postal Service. The local post office has stopped delivering to rural route addresses and is only sending mail to street addresses. As a result, we have not received any correspondence from the Division of Corporations until recently when the street address was used.

Under the circumstances I would appreciate the waiver of the reinstatement fee so we can better use the money to serve education.

Sincerely,

Shay Starling, Executive Director
