The watchers.

We are to bring glory and honor to God, to stand up and be counted for our Faith.

It is our belief that First Amendment rights to free speech are threatened when through ignorance and/or premeditated hate/ prejudice people are allowed to use mass media to say whatever they want, to ignore, insult, degrade or defame our basic rights to freely worship and have faith un-interrupted and without prejudice.

The watchers will be made up of people who are weary of being hurt by the thoughtless attacks on their faith, or by the cleverly thought out ruthless attacks meant to hurt and defame. We intend to gather information and create a report card to inform the general public about the level, frequency, and degree of the offense.

We will inform the community at large to the point where they are no longer ignorant of these mean spirited people and their regular attacks.

The watchers are going to respond to these vicious attacks by:

Prayer

Verbal – (phone, or in person)

Letter

Newsletters

News releases

And if necessary, using the judicial system

We plan a bi-monthly radio show to highlight the weeks gathering of information and pass it along to the listening public. We will respond to phone in messages. We will also create a web page for online responses. We plan to send personal letters to the repeat offenders, and pray for them. We will also take them to task if necessary.
