Michelle Milligan - Document Specialist Florida Department of State Division of Corporations PO Box 6327 Tallahassee FL 32314

Dear Michelle,

Thank You for your prompt response to my call. I was starting to get a little concerned this morning, but as you can see I did get your letter later in the day. Thank You .

I filled out the Business Report with all the information needed I believe. There are no personnel changes, but there are changes on the addresses. S. E. was left out of the Stuart address on the old form. I see it was included in the address in my letter, so maybe that has already been corrected.

There is a major address change for the last three board members. Somehow they were all listed with the same Stuart address before, so this is a major change. Please note them, and thank you for making the corrections.

Please find enclosed check number 107 from Missionary Service and Supply Int. for the amount of seventy dollars in payment for the filing fee, and we would like to have a certificate of status.

I trust this will take care of this report for another year. I don't know if the S.E. was left out of the address before and that is why we did not get the forms earlier or what, but thank you for helping to straighten it all out.

In HIS Service, Sincerely,

Rev. norman Ruglin
