In a recent conversation with one of your representatives I informed your office that we did not receive a Filing Application for our corporation until after September 1, 1999. We had received a Filing Application in the mail in September and I was calling your office to ask a couple of questions. At that time I was informed by your representative that our corporation had been dissolved because we had not filed. I informed the representative that we had just received the Application--in September--via mail. She stated that something is wrong because we should have received it several months ago. As a matter of fact, it should have been filed by May. I responded that I didn't understand why your office just sent out the Application to us in that case. I then checked the postmark on the envelope and it was September 1999, but the day itself was difficult to read.

She then informed me to write what transpired in a letter and include it with the application and appropriate fee. We would appreciate the reversal of the dissolution of our corporation for the aforementioned reason. I would appreciate your attention to this matter. If you need any further information, please contact me.

Sincerely,

Pastor Kevin Alexander, President
