PURPOSE

Program Development:

1. To establish an economic development program which will assist veterans to a small business and aiding those veterans already in business to forge ahead as they desire with counseling, guidance, loans, etc.
2. To develop a program that deals with social problems for the youth, adults, and handicapped veterans in recreation and entertainment.
3. To build a housing development specially designed for veterans who are barrier-prone handicapped along with paraplegics and amputees, to get them out of hospitals and reunited with their families and back in society.
4. To establish a Veteran's Credit Union on the local community level.
5. To introduce a "purpose bill", to the Veteran's Administration that will enable a veteran receiving a pension check to use half of his check as a means of collateral when trying to secure a bank loan.
6. To establish a program that will create jobs and employment through the United Veterans for Freedom, Inc. which will assist veterans in finding gainful employment with companies and the business industry.
7. To establish a special rehabilitation program for ex-offenders returning from prison into society by the use of half-way houses and establishing a rehabilitative program for persons who have committed minor offenses as an option to being on probation and/or incarcerated.
8. To utilize all methods available to seek qualified veterans in all fields through feasibility studies and random samplings which survey the demographics on the status of veterans and their locations.

9. To establish a training program for the Community-at-large which will develop a working together attitude in the local community.
10. To give the people in the community a basic understanding of the proper and most acceptable leadership by using persuasive methods to motivate and build their morale around constructive programs, that will help develop their local community environment.
11. To develop programs through out community leadership program that will, over a period of time, eliminate some of the problems of unrest that are encountered at the local neighborhood or community level such as crime in the streets, drugs, etc.

WE NEED YOUR HELP TO BUILD!
