ARTICLE X

INDEMNIFICATION

Section 1. Indemnification. Association, except as provided in Section 2, shall indemnify any person who is or was a party or is threatened to be made a party to any proceeding, including without limitation any action by or in the right of Association, by reason of the fact that he was or is a director or officer of the corporation or is or was a director or officer of the corporation who is or was serving at the request of Association as a director, officer, agent, employee, partner or trustee of another corporation, partnership, joint venture, trust or other enterprise; against liability actually and reasonably incurred by him, unless, in connection with such action, suit or proceeding, a judgment or other final adjudication establishes that his conduct was material to the cause of action and was: (a) a violation of the criminal law, unless the director or officer had reasonable cause to believe his conduct was lawful or had no reasonable cause to believe his conduct unlawful; (b) a transaction from which the director or officer derived an improper personal benefit; (c) in the case of a director, a circumstance under which the liability provisions of Section 607.0834 of the Florida Business Corporation Act are applicable; or (d) willful misconduct or a conscious disregard for the best interests of the corporation in a proceeding by or in the right of the corporation to procure a judgment in its favor or in a proceeding by or in the right of a shareholder. The right to indemnification conferred in this Section 1 shall be a contract right and shall include the right to be paid by Association expenses incurred in defending any proceeding in advance of the final disposition of such proceeding. Such right will be conditioned upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by Association as authorized in this Section 1. Such right shall survive any amendment or repeal of this Section 1 with respect to expenses incurred in connection with claims, regardless of when such claims are brought, arising out of acts or omissions occurring prior to such amendment or repeal. Association may, by action of its Board of Directors, provide indemnification to employees and agents of Association with the same scope and effect as the foregoing indemnification of directors and officers.

Section 2. Action to Enforce Claims. If a claim under Section 1 of this Article is not paid in full by Association within 30 days after a written claim has been received by Association, the claimant may at any time thereafter bring suit against Association to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to Association) that the claimant has not met the standards of conduct which make it permissible under the Florida Business Corporation Act for Association to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on Association. Neither the failure of Association (including its Board of Directors, independent legal counsel, or its shareholders)

H990000068355

to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he has met the applicable standard of conduct set forth in the Florida Business Corporation Act, nor an actual determination by Association (including its Board of Directors, independent legal counsel, or its shareholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

Section 3. Indemnification Provided in this Article Not Exclusive. The indemnification and advancement of expenses provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification and advancement of expenses may be entitled under any statute, provision of the Articles of Incorporation, bylaws, agreement, vote of shareholders or disinterested directors, or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office, and shall continue as to any person who has ceased to be a director or officer (or employee or agent, if applicable) of the corporation and shall inure to the benefit of the heirs, legal representatives, executors, administrators and assigns of such person.

Section 4. Insurance. Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, profit sharing plan or other enterprise against any liability asserted against him and incurred by him in any such capacity or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under the provisions of this Article.

Section 5. Savings Clause. In the event that any provision of this Article shall be held invalid by any court of competent jurisdiction, such holding shall not invalidate any other provision of this Article and any other provisions of this Article shall be construed as if such invalid provision had not been contained in this Article. In any event, Association shall indemnify any person who is or was a director or officer of the corporation, or who is or was serving at the request of Association as a director or officer of another corporation, partnership, joint venture, trust, profit sharing plan or other enterprise, to the fullest extent permitted under Florida law, as from time to time in effect.

ARTICLE XI

AMENDMENT OF ARTICLES

Amendments to these Articles of Incorporation may be proposed by a resolution adopted by the Board of Directors and presented to a quorum of Members for their vote. Amendments may be adopted by a vote of at least three-fourths (3/4) of the votes cast by Voting Members (as defined in the By-Laws) at a regular or special meeting of the Members of the corporation.

ARTICLE XII

DISSOLUTION

Association shall be dissolved and its affairs wound up by a one hundred percent (100%) vote of the Members entitled to vote at a meeting called for such purpose. In the event of dissolution, property of Association shall be distributed after payment of, or adequate provision for, the debts and obligations of the corporation, to its Members as permitted by the court having jurisdiction thereof; provided, however, no such payment, benefit, or distribution shall be deemed to be a dividend or distribution of income. If the Association is dissolved, streets, roads, and surface water management systems easements on the Property, if any, shall be assigned or conveyed to an appropriate agency of local government and that if not accepted, the

H990000068355

streets, roads, and surface water management system easements, if any, shall be dedicated to a similar non-profit corporation.

The undersigned subscribers of this corporation have, for the purposes of forming this not-for-profit corporation under the laws of the State of Florida, executed these Articles of Incorporation on this 18 day of March, 1999.
