ARTICLE VII AMENDMENTS

Apostolic Covering

We understand that so that the church can work of healthful way, it needs to be related and to be under the authority of an apostolic cover. Following are some areas that a church and its leaders should benefit from apostolic covering:

Counsel -

In vision, helping to define it, refine it and articulate it.

In doctrine, to help deal with doctrinal issues confronting a church or causing division in the church.

In church discipline, this is especially helpful in difficult cases to avoid personal attacks against leadership when a member needs discipline.
