Dear Ms. Mustain:

Thank you for processing this corporate name change, as soon as possible. It has proven to be a constant source of debate in its being too long. People do not like writing out checks to such a long name. They often times shorten it in conversation and in addressing letters and mail to us, using Take Charge America as the name which alone does not reflect our mission. We would like to formally change the name to Cure Parkinson's, Inc.

Please send me one certified copy of the amendment for our records. Enclosed is a check for \$43.75 payable to the Department of State (\$35 filing fee for the amendment and \$8.75 for the certified copy).

Thank you for your assistance.

Sincerely,

There will be no space between the two words, CureParkinsons, nor will there be an apostrophe between the "n" and the "s".
