Re: P00000001035

To Whom It May Concern:

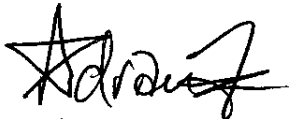

We have received a notice from your office which requires us to pay a late fee in addition to the amount we have already sent in order for you to process our UBR. Please waive this late fee and process our UBR with the amount (\$150) from our check which your office has already cashed.

We have never filed a UBR before (this was our first year of business) and never received a UBR. We had no way of knowing that we needed to file a UBR or that such a UBR document even existed. We only heard of the UBR in passing recently and immediately requested a blank UBR which we submitted ASAP.

A representative from your office instructed us not to send the late fee with our payment and said that the late fee would be waived due to these circumstances.

We will make every effort in the future to submit a UBR on time even if You do not send us a UBR now that we know that it is due. Thank you for your time.

Sincerely,

Adrian Johnson  
President
