RE: 2002 Uniform Business Report

To Whom It May Concern:

I am sending this letter along with my Uniform Business Report and a check in the amount of \$150.00 is enclosed. I realize it is late. Please consider and accept this letter as justification for my poor timeliness. This is my second year as a corporation, and my first years filing was handled by my accountant. Therefore this year I did not know what the form was for and was not aware of what to do with it. I realize that ignorance is not a good excuse, yet if it could be accepted this year it would greatly be appreciated. In addition, I had a change of address to our company for a short time period from January 2002 to June 2002, so I also believe I received the initial notice late. Thank you for your consideration and cooperation in this matter. Next year I will be timely due to being well informed of the purpose and consequences.

Thank you,

Tammy Blackwelder
