Dear Sir,

I recently received a 2002 Uniform Business Report late notice for my small company RADCOM Services, Inc. The original notice received back in Jan. was inadvertently sent to my accountant in April with my corporate tax returns which were extended for a late filing according to his recommendation. When I contacted him the other day about the status of my 2002 filing he advised me that it was in fact enclosed with various other forms and apologized for not returning it to me or notifying me that it was due.

I realize I'm at fault for not sending the check in when due and hope you will consider the circumstances for the late submission. I can assure you that future submissions will be made on time.

Sincerely,

William Loeffler
President, RADCOM Services, Inc.
