Dear Ms. Mitchell,

I am in receipt of your letter dated September 25, 2003. I am very concerned as to what happened regarding my corporate information. We are a very small struggling company that annually makes \$2,000. We filed our documents on April 1, 2003 and now we are receiving these letters from the State. I would like to know where my paperwork has been ALL this time. We filed at the proper time from there I have no idea what happened. If you will check your past records you will see that we have ALWAYS filed correctly. If the State continues to try to make us reinstate something that we have already filed we will be forced to close down our corporation. \$600 will be 1/3 of what our small computer company earns. Please look into this matter and I have enclosed for your information a copy of the filing with the check. I make a copy like this every year when we file. Please let me know if there is any other information I can provide to resolve this matter. I do feel that we did everything asked of us and that I cannot control either the Postal services or the State services where my paper works was received. Thank you in advance for your prompt and thoughtful consideration in this very important matter.

Sincerely,

Julie A. Tharp
