Dear Sirs,

It was brought to my attention that I did not file a uniformed business report. I was supposed to have received one from the state, and because I am a new corporation, I was unaware of it.

I am a physician and rely on my accountant for this information. Unfortunately, I trust people too much, and my accountant dropped the ball.

Kindly accept my \$150 dollars as my payment for the fee. I do apologize for any inconvenience

Please feel free to contact me directly if there is any problem with this.

Respectfully yours,

R. Scott Rosenblum D.O.
