Dear Sir:

I have enclosed a check for the \$150.00 fee for reinstatement of a profit making organization. I have a small S Corporation that I began after my retirement from education. I am involved in an educational consulting business. I did not receive the notices that were sent to my business address, which is my present home address. Our business is the Florida Education Consultants located at 1700 Park Terrace East in Atlantic Beach, Florida 32233. My concern was that we were out of our house for almost seven months while it was built from February thru August. Over 85% of our home was gutted during this process. The construction company originally told us that it would take four or five months. We moved into our son's town house while we were waiting for our home to be completed. We continued to pick up our mail at our home because we originally thought that we could live there while the construction was being done. The outside door and the stucco had to be added and the mailbox was put on the ground next to our house. We did have some of our mail lost during the rain and windstorms a possibly those notices were lost. We have been very faithful in doing our paperwork but this was a complete surprise to us. I would appreciate having our business reinstated. If you need to contact me, I can be reached at home: 904-246-1508 or e-mail Flaeducon@aol.com

Sincerely,

Ronel J. Poppell
