Attention: Tina

I did not receive a letter back from the Florida Dept. of State on May 6th, 2003 stating that my application was rejected. I had mailed in my application and money on time. Please update your records to reflect current status. Thank you for your cooperation in this matter.

I sent in the payment for the \$150.00 (UBI) and apparently had a clerical error in where the Registered Agent name goes. I put the corporation name instead of the Owner's name. It has remained the same since the first day we were incorporated in 2000. I mailed my money in advance and apparently thought the letter was stating that you did not receive my payment. I sent in a copy of the check front and back and thought it would be fine. I just checked online today and it still shows that we are inactive status. I called the office and the not so friendly lady said that it was the registered agent name that was incorrect on my Uniform Business Report. I didn't know that it was something so simple. All I have to do is put My name there instead of the company. Please waive the fee and I have attached the corrected form now that I understand what is wrong. Thank you very much and sorry for the misunderstanding.

Please call if there is any questions, 407-947-9997.

Again Thank you,

Kim Santana
Vice-President of SOUTH LAKE FENCE
