(c) Cumulative Voting: At all elections of the Directors, each Stockholder shall be entitled to as many votes as shall equal the number of votes which he would have been entitled to cast for the election of Directors with respect to his shares of stock multiplied by the number of Directors to be elected, and that he may cast all such votes for a single director or may distribute them among the number to be voted for, or for any two or more of them as may see fit.

(d) Consent of Stockholders in Lieu of Meeting: Whenever the vote of stockholders is required at a meeting or is permitted to be taken for in connection with any corporate action by any provision of the General Corporation Law of Florida the meeting and vote of Stockholders may be dispensed with if such action is taken with the written consent of the holders of not less than a majority of all the stock having less than the minimum percentage of the vote required by statute for such actions, and provided that prompt notice is given to all Stockholders of the taking of the corporate action without a meeting and by less than unanimous written consent.

(e) Election of Directors: Election of Directors need not be by written ballot.
